

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Kenneth Chua  
DOCKET NO.: 20-24233.001-R-1  
PARCEL NO.: 11-18-110-028-0000

The parties of record before the Property Tax Appeal Board are Kenneth Chua, the appellant(s), by attorney Alexia Katsaros, of Katsaros Law, P.C. in Western Springs; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$17,820  
**IMPR.:** \$46,180  
**TOTAL:** \$64,000

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a two-story dwelling of frame and masonry construction with 2,838 square feet of living area. The dwelling is 106 years old. The property is situated on a parcel of land with 9,900 square feet, and is located in Evanston Township, Cook County. The subject is classified as a Class 2 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant's appeal is based on overvaluation. In support of this argument, the appellant submitted a closing statement, Warranty Deed and Coldwell Banker listing sheet disclosing the subject property was purchased on May 28, 2020 for a price of \$640,000 and was sold "as is." The appellant's evidence indicated that there was a realtor involved in the transaction, the property was advertised for sale on the open market, and the parties were not related to each

other. Based on this evidence, the appellant requested a reduction in the subject's assessment to reflect the purchase price.

The board of review submitted its "Board of Review-Notes on Appeal" disclosing the total assessment for the subject of \$78,170. The subject's assessment reflects a market value of \$781,700, or \$275.44 per square foot of living area, including land, when applying the 2020 statutory level of assessment for class 2 property of 10% under the Cook County Real Property Assessment Classification Ordinance.

The board of review also submitted information on four sale comparables, each of which reflected equity data. The comparables sold between June 2017 and October 2018 for sale prices ranging from \$328.67 to \$348.48 per square foot, including land. The grid sheet also reflected the sale of the subject in July 2020 for \$640,000, or \$225.51 per square foot, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant has met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be the sale of the subject for \$640,000. The appellant submitted evidence indicating the property was sold using a Realtor to unrelated parties and was advertised on the open market. Additionally, there was no evidence from either party that indicated the sale was a short sale or a foreclosure. Since the market value of this parcel has been established, the assessment level of 10% as established by the Cook County Real Property Assessment Classification Ordinance shall apply, per the appellant's request. 86 Ill. Admin. Code § 1910.50(c)(3).

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
