

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Dominik Mietus
DOCKET NO.: 20-24977.001-R-1
PARCEL NO.: 23-02-103-012-0000

The parties of record before the Property Tax Appeal Board are Dominik Mietus, the appellant, by attorney George N. Reveliotis of Reveliotis Law, P.C. in Park Ridge; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$6,268
IMPR.: \$14,502
TOTAL: \$20,770

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a one-story dwelling of frame and masonry exterior construction with 1,612 square feet of living area. The dwelling is approximately 57 years old. Features of the home include a partial basement with finished area, central air conditioning and a 2-car garage. The property has an approximately 10,901 square foot site and is located in Hickory Hills, Palos Township, Cook County. The subject is classified as a class 2-03 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument the appellant submitted information on four equity comparables that have the same assessment neighborhood code as the subject. The comparables are class 2-03 properties that are improved with one-story dwellings of masonry or frame and masonry exterior construction ranging in size from 1,584 to 1,762 square feet of living area. The

dwellings are 52 to 58 years old. The comparables each have a full or partial basement, one of which has finished area. Each comparable has central air conditioning and a 2-car garage. Three comparables each have a fireplace. The comparables have improvement assessments that range from \$10,466 to \$13,515 or from \$6.61 to \$8.44 per square foot of living area. Based on this evidence, the appellant requested the subject's improvement assessment be reduced to \$12,308 or \$7.64 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$20,770. The subject property has an improvement assessment of \$14,502 or \$9.00 per square foot of living area.

In support of its contention of the correct assessment the board of review submitted information on four equity comparables that have the same assessment neighborhood code as the subject. The comparables are class 2-03 properties that are improved with one-story dwellings of frame and masonry exterior construction ranging in size from 1,242 to 1,634 square feet of living area. The dwellings are 52 to 59 years old. Three comparables each have a full or partial basement, one of which has finished area and one comparable has a crawl space foundation. Two comparables have central air conditioning and each comparable has either a 2-car or a 2.5-car garage. The comparables have improvement assessments that range from \$14,480 to \$16,444 or from \$10.06 to \$11.72 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of eight comparable properties for the Board's consideration. The Board has given less weight to the appellant's comparable #4 which appears to be an outlier due to its lower improvement assessment of \$10,466 or \$6.61 per square foot of living area, in relation to the other comparables in the record. The Board has given reduced weight to board of review comparables #2 and #4 due to their smaller dwelling sizes and/or lack of a basement.

The Board finds the best evidence of assessment equity to be the appellant's comparables #1, #2 and #3, along with board of review comparables #1 and #3, which are overall more similar to the subject in location, dwelling size, design and age. However, the Board finds three of the five comparables lack basement finish, a feature of the subject, suggesting upward adjustments would be required to make the comparables more equivalent to the subject. Nevertheless, the comparables have improvement assessments ranging from \$12,947 to \$16,444 or from \$7.35 to \$10.23 per square foot of living area. The subject's improvement assessment of \$14,502 or \$9.00 per square foot of living area falls within the range established by the best comparables in the

record. Based on this record and after considering adjustments to the best comparables for differences when compared to the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
