

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Mary & George Papadimitriou
DOCKET NO.: 20-25054.001-R-1
PARCEL NO.: 23-14-107-018-0000

The parties of record before the Property Tax Appeal Board are Mary & George Papadimitriou, the appellants, by attorney George N. Reveliotis of Reveliotis Law, P.C. in Park Ridge; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$5,321
IMPR.: \$17,164
TOTAL: \$22,485

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellants timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a multi-level dwelling of frame and masonry exterior construction with 1,372 square feet of living area. The dwelling is approximately 48 years old. Features of the home include a partial basement with finished area, central air conditioning and a two-car garage. The property has an approximately 8,515 square foot site and is located in Palos Hills, Palos Township, Cook County. The subject is classified as a class 2-34 property under the Cook County Real Property Assessment Classification Ordinance.

The appellants contend assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument the appellants submitted information on seven equity comparables that have the same assessment neighborhood code as the subject. The comparables are class 2-34 properties that are improved with multi-level dwellings of frame and masonry exterior construction ranging in size from 1,151 to 1,555 square feet of living area. The

dwelling are 41 to 49 years old. Each comparable has a partial basement with finished area, central air conditioning and a one-car or a two-car garage. Comparable #5 has a fireplace. The comparables have improvement assessments that range from \$6,669 to \$16,984 or from \$5.79 to \$11.76 per square foot of living area. Based on this evidence, the appellants requested the subject's improvement assessment be reduced to \$13,247 or \$9.66 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$22,485. The subject property has an improvement assessment of \$17,164 or \$12.51 per square foot of living area.

In support of its contention of the correct assessment the board of review submitted information on four equity comparables that have the same assessment neighborhood code as the subject. The comparables are class 2-34 properties that are improved with multi-level dwellings of frame and masonry exterior construction containing either 1,303 or 1,372 square feet of living area. The dwellings are 44 to 48 years old. Each comparable has a partial basement with finished area, central air conditioning and a two-car garage. Comparable #3 has a fireplace. The comparables have improvement assessments that range from \$15,725 to \$21,070 or from \$11.46 to \$16.17 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The taxpayers contend assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellants did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of eleven comparable properties for the Board's consideration. The Board has given less weight to the appellants' comparables #3, #5, #6 and #7, as well as board of review comparable #3 which are less similar to the subject in dwelling size than are the remaining comparables in the record.

The Board finds the best evidence of assessment equity to be the appellants' comparables #1, #2 and #4, along with board of review comparables #1, #2 and #4, which are identical to the subject in dwelling size and similar to the subject in location, design, age and some features. The comparables have improvement assessments ranging from \$14,666 to \$19,187 or from \$10.69 to \$13.98 per square foot of living area. The subject's improvement assessment of \$17,164 or \$12.51 per square foot of living area falls within the range established by the best comparables in the record. Based on this record and after considering adjustments to the best comparables for differences when compared to the subject, the Board finds the appellants did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
