

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Lee Capps  
DOCKET NO.: 20-25257.001-R-1  
PARCEL NO.: 16-08-321-003-0000

The parties of record before the Property Tax Appeal Board are Lee Capps, the appellant, by attorney Christopher G. Walsh, Jr., of Walsh Law, LLC in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$7,125  
**IMPR.:** \$45,320  
**TOTAL:** \$52,445

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a two-story dwelling of masonry exterior construction with 2,486 square feet of living area. The dwelling is approximately 109 years old. Features of the home include a basement with finished area, 2½-bathrooms, one fireplace and a 2-car garage. The property has an approximately 7,500 square foot site and is located in Oak Park, Oak Park Township, Cook County. The subject is classified as a class 2-06 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument the appellant submitted information on four equity comparables located in the same assessment neighborhood code as the subject property. The comparables are improved with two-story class 2-06 dwellings of frame or stucco exterior construction ranging in size from 2,362 to 2,560 square feet of living area. The homes range in

age from 103 to 116 years old. Each comparable has a basement, with one having finished area. Each dwelling has either 1½-bathrooms or 2-full and two ½-bathrooms, one fireplace and a 2-car garage. Two homes have central air conditioning. The comparables have improvement assessments ranging from \$34,054 to \$45,824 or from \$13.85 to \$17.90 per square foot of living area. Based on this evidence, the appellant requested the subject's improvement assessment be reduced to \$41,317 or \$16.62 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$52,445. The subject property has an improvement assessment of \$45,320 or \$18.23 per square foot of living area. In support of its contention of the correct assessment the board of review submitted information on four equity comparables located in the same assessment neighborhood code as the subject property. The comparables are improved with two-story class 2-06 dwellings of masonry exterior construction ranging in size from 2,336 to 2,682 square feet of living area. The homes are either 97 or 101 years old. Each comparable has an unfinished basement, 1½ or 2½-bathrooms, one fireplace and a 1-car or a 2-car garage. The comparables have improvement assessments ranging from \$44,509 to \$53,437 or from \$18.78 to \$21.81 per square foot of living area. Based on this evidence, the board of review requested the subject's assessment be confirmed.

### **Conclusion of Law**

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted eight equity comparables for the Board's consideration. The Board gives less weight to appellant comparables #1 and #3 which have central air conditioning, not a feature of the subject. The Board gives less weight to board of review comparable #3 which has a 1-car garage in contrast to the subject's 2-car garage.

The Board finds the best evidence of assessment equity to be appellant comparables #2 and #4 along with board of review comparables #1, #2 and #4 which are more similar to the subject in location, age, design and dwelling size. However, each of these best comparables lacks finished basement area and three of these comparables have one less full bathroom than the subject, suggesting upward adjustments are needed to make these properties more equivalent to the subject. These best comparables have improvement assessments ranging from \$39,847 to \$51,811 or from \$16.87 to \$21.81 per square foot of living area. The subject's improvement assessment of \$45,320 or \$18.23 per square foot of living area falls within the range established by the best comparables in this record. After considering adjustments to the comparables for differences from the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
