

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Jesse & Anna Berlanga
DOCKET NO.: 20-25266.001-R-1
PARCEL NO.: 16-06-205-015-0000

The parties of record before the Property Tax Appeal Board are Jesse & Anna Berlanga, the appellants, by attorney Christopher G. Walsh, Jr., of Walsh Law, LLC in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$9,738
IMPR.: \$41,768
TOTAL: \$51,506

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellants timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of frame and masonry exterior construction with 2,384 square feet of living area. The dwelling is approximately 82 years old. Features of the home include an unfinished basement, one fireplace and a 2-car garage. The property has an approximately 7,350 square foot site and is located in Oak Park, Oak Park Township, Cook County. The subject is classified as a class 2-06 property under the Cook County Real Property Assessment Classification Ordinance.

The appellants contend assessment inequity with respect to the improvement as the basis of the appeal.¹ In support of this argument the appellants submitted information on four equity comparables located in the same assessment neighborhood code as the subject property. The

¹ The appellant's appeal petition disclosed a \$1.00 difference in the subject's land assessment relative to the assessment placed on the subject's land by the board of review.

comparables are improved with two-story class 2-06 dwellings of masonry or frame and masonry exterior construction ranging in size from 2,330 to 2,604 square feet of living area. The homes range in age from 71 to 93 years old. Each comparable has a basement, with three having finished area. Two dwellings have central air conditioning. Each home has one or two fireplaces and from a 1-car to a 3-car garage. The comparables have improvement assessments ranging from \$34,090 to \$41,352 or from \$14.38 to \$16.50 per square foot of living area. Based on this evidence, the appellants requested the subject's improvement assessment be reduced to \$36,594 or \$15.35 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$51,506. The subject property has an improvement assessment of \$41,768 or \$17.52 per square foot of living area. In support of its contention of the correct assessment the board of review submitted information on four equity comparables located in the same assessment neighborhood code as the subject property. The comparables are improved with two-story class 2-06 dwellings of frame and masonry exterior construction ranging in size from 2,350 to 2,546 square feet of living area. The homes range in age from 70 to 96 years old. Each comparable has a basement, with three having finished area. Each dwelling has one or two fireplaces and a 2-car garage. One home has central air conditioning. The comparables have improvement assessments ranging from \$43,546 to \$45,948 or from \$17.54 to \$18.94 per square foot of living area. Based on this evidence, the board of review requested the subject's assessment be confirmed.

Conclusion of Law

The taxpayers contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellants did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted eight equity comparables for the Board's consideration. The Board gives less weight to appellant comparables #1, #2 and #4 along with board of review comparables #1, #2 and #3 which have finished basement area in contrast to the subject's unfinished basement.

The Board finds the best evidence of assessment equity to be appellant comparable #3 and board of review comparable #4 which are more similar to the subject in location, age, design, dwelling size and most features. These comparables have improvement assessments of \$41,352 and \$45,948 or for \$15.88 and \$18.94 per square foot of living area, respectively. The subject's improvement assessment of \$41,768 or \$17.52 per square foot of living area falls below the two best comparables in this record on an overall improvement assessment basis and is bracketed by the two best comparables on a per square foot basis. After considering adjustments to the comparables for differences from the subject, the Board finds the appellants did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
