

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Bill Adrianos
DOCKET NO.: 20-25529.001-R-1
PARCEL NO.: 16-13-318-005-0000

The parties of record before the Property Tax Appeal Board are Bill Adrianos, the appellant, by attorney Peter D. Verros, of Verros Berkshire, PC in Oakbrook Terrace; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$3,671
IMPR.: \$12,043
TOTAL: \$15,714

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 14-year-old, three-story, multi-family dwelling of masonry construction with 4,404 square feet of living area. Features of the home included a slab foundation, central air conditioning, three full bathrooms and six bedrooms. The property suffered fire damage in September 2020 and was 100% uninhabitable through the remainder of the year. The property has a 3,125 square foot site and is located in Chicago, West Chicago Township, Cook County. The subject is classified as a class 2-11 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity as the basis of the appeal. In support of this argument the appellant submitted information on four equity comparables with varying degrees of similarities to the subject. Appellant also asserts a contention of law based on uninhabitability. In support of this argument the appellant submitted a Cook County Board of

Review vacancy affidavit, a general affidavit, a copy of a City of Chicago Police Department report for a non-criminal damage to property due to fire occurring on September 18, 2020, a City of Chicago Department of Buildings demolition expense form and a photograph of the interior of the subject building showing what appears to be significant fire damage. Based on this evidence, the appellant requested a 33% reduction in the subject's assessment to reflect the percentage of occupancy for a total assessed value of \$15,714.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$20,515. The subject property has an improvement assessment of \$16,844 or \$3.82 per square foot of living area. In support of its contention of the correct assessment the board of review submitted information on four equity comparables, all of which are within a quarter mile of the subject property, while one is within a block.

Conclusion of Law

The appellant has disputed the assessment of the subject property in part based upon a contention of law. Section 10-15 of the Illinois Administrative Procedure Act (5- ILCS 100/10-15) provides:

Standard of proof. Unless otherwise provided by law or stated in the agency's rules, the standard of proof in any contested case hearing conducted under this Act by an agency shall be the preponderance of the evidence.

The rules of the Property Tax Appeal Board are silent with respect to the burden of proof associated with an argument founded on a contention of law. See 86 Ill.Admin.Code §1910.63.

Section 9-160 of the Property Tax Code addresses the valuation process and provides:

On or before June 1 in each year other than the general assessment year. . .the assessor shall list and assess all property which becomes taxable and which is not upon the general assessment, and also make and return a list of all new or added buildings, structures or other improvements of any kind, the value of which had not been previously added to or included in the valuation of the property on which such improvements have been made, specifying the property on which each of the improvements has been made, the kind of improvement and the value which, in his or her opinion, has been added to the property by the improvements. The assessment shall also include or exclude, on a proportionate basis in accordance with the provisions of Section 9-180, all new or added buildings, structures or other improvements, the value of which was not included in the valuation of the property for that year, and all improvements which were destroyed or removed. See 35 ILCS 200/9-160.

Section 9-180 of the Code (35 ILCS 200/9-180) states as follows:

Pro-rata valuations; improvements or removal of improvements. The owner of property on January 1 also shall be liable, on a proportionate basis, for the increased taxes occasioned by the construction of new or added buildings,

structures or other improvements on the property from the date when the occupancy permit was issued or from the date the new or added improvement was inhabitable and fit for occupancy or for intended customary use to December 31 of that year. The owner of the improved property shall notify the assessor, within 30 days of the issuance of an occupancy permit or within 30 days of completion of the improvements, on a form prescribed by that official, and request that the property be reassessed. The notice shall be sent by certified mail, return receipt requested and shall include the legal description of the property. When, during the previous calendar year, any buildings, structures or other improvements on the property were destroyed and rendered uninhabitable or otherwise unfit for occupancy or for customary use by accidental means (excluding destruction resulting from the willful misconduct of the owner of such property), the owner of the property on January 1 shall be entitled, on a proportionate basis, to a diminution of assessed valuation for such period during which the improvements were uninhabitable or unfit for occupancy or for customary use. The owner of property entitled to a diminution of assessed valuation shall, on a form prescribed by the assessor, within 90 days after the destruction of any improvements or, in counties with less than 3,000,000 inhabitants within 90 days after the township or multi-township assessor has mailed the application form as required by Section 9-190, file with the assessor for the decrease of assessed valuation. Upon failure so to do within the 90 day period, no diminution of assessed valuation shall be attributable to the property. Computations under this Section shall be on the basis of a year of 365 days. (Source: P.A. 91-486, eff. 1-1-00.)

The appellant submitted photos, affidavits, and a corroborative police report in support of its contention that the subject property is uninhabitable. The evidence submitted shows the improvement was severely damaged by a fire in September 2020 and a vacancy affidavit was subsequently filed. Therefore, this Board finds the appellant has established that the subject was inhabitable due to the fire damage of the property during the lien year.

The Board finds the board of review did not present any evidence to challenge appellant's contention of uninhabitability. Based on this record the Board finds the subject property had a market value of \$157,140 as of January 1, 2020. Since market value has been determined, the Cook County Real Property Assessment Classification Ordinance level of assessment for class 2 property of 10% shall apply.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
