

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Artur Wojcik
DOCKET NO.: 20-27350.001-R-1
PARCEL NO.: 03-34-202-011-0000

The parties of record before the Property Tax Appeal Board are Artur Wojcik, the appellant, by attorney Andrew S. Dziuk, of Andrew Dziuk, Esq. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$4,750
IMPR.: \$17,974
TOTAL: \$22,724

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 1.5-story dwelling of frame and masonry exterior construction with 1,200 square feet of living area. The dwelling is approximately 70 years old. Features of the home include a full unfinished basement, central air conditioning, 1.5 baths, and a fireplace. The property has a 7,600 square foot site and is located in Mount Prospect, Wheeling Township, Cook County. The subject is classified as a class 2-03 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument the appellant submitted information on four equity comparables with the same assessment neighborhood code as the subject. The comparables are class 2-03 properties improved with 1.5-1.9-story or 1-story dwellings of frame and masonry exterior construction ranging in size from 1,200 to 1,412 square feet of living area. The

dwelling are 62 to 70 years old and have full basements, two of which have finished area. Each comparable has 1 or 1.5 baths. Two comparables have central air conditioning. Two comparables each have one fireplace. Three comparables each have a 1-car or a 2-car garage. The comparables have improvement assessments ranging from \$16,259 to \$18,447 or from \$12.11 to \$14.39 square feet of living area. Based on this evidence the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$22,724. The subject property has an improvement assessment of \$17,974 or \$14.98 per square foot of living area. In support of its contention of the correct assessment the board of review submitted information on three equity comparables with the same assessment neighborhood code as the subject. The comparables are class 2-03 properties improved with 1.5-story dwellings of frame and masonry exterior construction ranging in size from 1,200 to 1,320 square feet of living area. The homes are 67 to 70 years old and have full basements with two having finished area. The comparables each have 1 or 1.5 baths and a 2-car garage. Comparable #2 has central air conditioning. The comparables have improvement assessments ranging from \$20,596 to \$21,450 or from \$15.72 to \$17.88 per square foot of living area. Based on this evidence the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains seven suggested comparables for the Board's consideration. The Board gives less weight to appellant's comparable #1 which is less similar to the subject dwelling in size when compared to the subject and the other comparables in the record. The Board gives less weight to appellant's comparable #4 which is a 1-story dwelling when compared to the subject's 1.5-story dwelling.

The Board finds the best evidence of equity to be appellant's comparables #2 and #3 along with the board of review comparables which overall are more similar to the subject in location, age, and dwelling size. The Board recognizes adjustments would have to be considered for differences in basement finish, central air conditioning, number of baths and garage feature. These comparables have improvement assessments ranging from \$16,259 to \$21,450 or from \$13.55 to \$17.88 per square foot of living area. The subject's improvement assessment of \$17,974 or \$14.98 per square foot of living area falls within the range established by the best comparables in this record. After considering adjustments to the best comparables for differences when compared to the subject, the Board finds the appellant did not demonstrate with clear and

convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
