

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Paulina Szwed
DOCKET NO.: 20-27584.001-R-1
PARCEL NO.: 09-07-420-015-0000

The parties of record before the Property Tax Appeal Board are Paulina Szwed, the appellant(s), by attorney Robert Rosenfeld, of Robert H. Rosenfeld & Associates, LLC in Northbrook; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$4,699
IMPR.: \$10,702
TOTAL: \$15,401

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject consists of a 68-year-old, one-story, single-family dwelling of frame construction with 1,144 square feet of living area. Features of the home include a partial unfinished basement and three bedrooms. The property's site is 6,714 square feet, and it is located in Des Plaines, Maine Township, Cook County. The subject is classified as a class 2-03 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity as the basis of the appeal. In support of this argument, the appellant submitted information on four equity comparables with varying degrees of similarities to the subject. The appellant did not report the exact proximity of the suggested comparables to the subject but disclosed that they had the same neighborhood code as the subject. The comparables had improvement assessments ranging from \$7.45 to \$8.79 per square foot of living area. In Section II of the appeal form, the appellant stated that the subject is not

owner-occupied. Based on this evidence, the appellant requested a reduction in the subject's assessment to \$14,194.

The board of review submitted its "Board of Review Notes on Appeal" disclosing that the total assessment for the subject is \$15,401. The subject property has an improvement assessment of \$10,702, or \$9.35 per square foot of living area.

In support of its contention of the correct assessment, the board of review submitted information on four equity comparables all located within a ¼ mile radius of the subject. The comparables and an improvement assessment of \$9.76 to \$15.73 per square feet of living area. Based on the submitted evidence, the board of review requested that the assessment be confirmed.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proven by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof, and that a reduction in the subject's assessment is not warranted.

The Board finds the best evidence of assessment equity to be all of the equity comparables submitted by the parties. These equity comparables had improvement assessments ranging from \$7.45 to \$15.73 per square foot of living area. The subject's improvement assessment of \$9.35 per square foot of living area falls within the range established by the best comparables in this record. Based on this record, the Board finds the appellant has not proven, with clear and convincing evidence, that the subject is inequitably assessed, and that a reduction in the subject's assessment is not warranted

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
