

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Amy Maksymiu  
DOCKET NO.: 20-27706.001-R-1  
PARCEL NO.: 27-29-413-005-0000

The parties of record before the Property Tax Appeal Board are Amy Maksymiu, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld & Associates, LLC in Northbrook; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$7,605  
**IMPR.:** \$35,518  
**TOTAL:** \$43,123

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a two-story dwelling of frame and masonry exterior construction with 3,395 square feet of living area. The dwelling is approximately 19 years old. Features of the home include an unfinished basement, central air conditioning, one fireplace and a 3-car garage. The property has an approximately 11,700 square foot site and is located in Orland Park, Orland Township, Cook County. The subject is classified as a class 2-78 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on four comparable sales located in the same assessment neighborhood code as the subject property. The comparables have sites that range in size from 10,000 to 12,400 and are improved with class 2-78 dwellings of frame and masonry exterior construction ranging in size from 2,927 to 3,518 square feet of living area. The homes range in

age from 22 to 27 years old. Each comparable has an unfinished basement, central air conditioning, one fireplace and a 3-car garage. The properties sold from February 2018 to March 2020 for prices ranging from \$310,000 to \$381,000 or from \$102.98 to \$115.85 per square foot of living area, land included. Based on this evidence, the appellant requested the subject's total assessment be reduced to \$36,754 which reflects a market value of \$367,540 or \$108.26 per square foot of living area, land included, when applying the level of assessment for class 2 property under the Cook County Real Property Assessment Classification Ordinance of 10.00%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$43,123. The subject's assessment reflects a market value of \$431,230 or \$127.02 per square foot of living area, land included, when applying the level of assessment for class 2 property of 10.00% under the Cook County Real Property Assessment Classification Ordinance. In support of its contention of the correct assessment the board of review submitted information on four comparable sales located in the same assessment neighborhood code and within ¼ of a mile from the subject property. The comparables have sites that range in size from 10,676 to 13,520 and are improved with two-story class 2-78 dwellings of frame and masonry exterior construction ranging in size from 2,934 to 3,781 square feet of living area. The homes are either 19 or 22 years old. Each comparable has an unfinished basement, central air conditioning, one fireplace and a 3-car garage. The comparables sold from August to November 2020 for prices ranging from \$479,000 to \$595,000 or from \$148.19 to \$163.26 per square foot of living area, land included. Based on this evidence, the board of review requested the subject's assessment be confirmed.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal, the value of the property must be proven by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales, or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted eight comparables for the Board's consideration. The Board gives less weight to appellant comparables #1, #2 and #4 along with board of review comparable #1 which are less similar to the subject in age, dwelling size and/or sold in 2018, less proximate to the January 1, 2020 assessment date than other properties in the record.

The Board finds the best evidence of market value to be appellant comparable #3 and board of review comparables #2, #3 and #4 which sold more proximate to the lien date at issue and are more similar to the subject in location, age, design, dwelling size and other features. These best comparables sold from November 2019 to October 2020 for prices ranging from \$381,000 to \$595,000 or from \$108.30 to \$157.41 per square foot of living area, land included. The subject's market value of \$431,230 or \$127.02 per square foot of living area, land included falls within the range established by the best comparables in this record. After considering appropriate adjustments to the best comparables for differences from the subject, the Board finds the subject's assessment is justified and a reduction in the subject's assessment is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
