

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Soad Bassali
DOCKET NO.: 20-27734.001-R-1
PARCEL NO.: 18-08-108-026-0000

The parties of record before the Property Tax Appeal Board are Soad Bassali, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld & Associates, LLC in Northbrook; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$6,781
IMPR.: \$49,736
TOTAL: \$56,517

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of frame and masonry exterior construction with 2,706 square feet of living area. The dwelling is approximately 58 years old. Features of the home include a basement with finished area, central air conditioning, one fireplace and a 2-car garage. The property has an approximately 8,750 square foot site and is located in Western Springs, Lyons Township, Cook County. The subject is classified as a class 2-78 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on four comparable sales located in the same assessment neighborhood code as the subject property. The comparables have sites that range in size from 9,086 to 11,880 and are improved with class 2-78 dwellings of frame and masonry exterior construction ranging in size from 2,551 to 3,096 square feet of living area. The homes range in

age from 42 to 57 years old. Each comparable has an unfinished basement, central air conditioning and a 2-car garage. Three homes each have one fireplace. The properties sold from July 2019 to February 2020 for prices ranging from \$505,000 to \$625,000 or from \$179.28 to \$201.87 per square foot of living area, land included. Based on this evidence, the appellant requested the subject's total assessment be reduced to \$51,339 which reflects a market value of \$513,390 or \$189.72 per square foot of living area, land included, when applying the level of assessment for class 2 property under the Cook County Real Property Assessment Classification Ordinance of 10.00%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$56,517. The subject's assessment reflects a market value of \$565,170 or \$208.86 per square foot of living area, land included, when applying the level of assessment for class 2 property of 10.00% under the Cook County Real Property Assessment Classification Ordinance.

In support of its contention of the correct assessment the board of review submitted information on eight comparable sales in two grids¹ which are located in the same assessment neighborhood code as the subject property. The comparables have sites that range in size from 7,500 to 11,875 and are improved with two-story class 2-78 dwellings of frame, masonry or frame and masonry exterior construction ranging in size from 2,319 to 3,357 square feet of living area. The homes range in age from 19 to 59 years old. Each comparable has a basement, with three having finished area. Each dwelling has central air conditioning, one or two fireplaces and a 2-car garage. The comparables sold from August 2019 to December 2020 for prices ranging from \$510,000 to \$1,100,000 or from \$218.04 to \$327.67 per square foot of living area, land included. Based on this evidence, the board of review requested the subject's assessment be confirmed.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal, the value of the property must be proven by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales, or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted 12 comparables for the Board's consideration. The Board gives less weight to the appellant's comparables and board of review comparables #4 through #8 which are less similar to the subject in age, dwelling size and/or have an unfinished basement in contrast to the subject's finished basement.

The Board finds the best evidence of market value to be board of review comparables #1, #2 and #3 which are more similar to the subject in location, age, design, dwelling size and most features. These comparables sold from December 2019 to November 2020 for prices ranging from \$510,000 to \$715,000 or from \$218.04 to \$282.05 per square foot of living area, land included. The subject's market value of \$565,170 or \$208.86 per square foot of living area, land included

¹ The board of review comparables presented in the second grid analysis have been renumbered #5 through #8.

falls within the range established by the best comparables in this record on an overall market value basis and below the range on a per square foot basis. After considering appropriate adjustments to the best comparables for differences from the subject, the Board finds the subject's assessment is justified and a reduction in the subject's assessment is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
