

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Craig Hughes
DOCKET NO.: 20-27750.001-R-1
PARCEL NO.: 18-17-115-013-0000

The parties of record before the Property Tax Appeal Board are Craig Hughes, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld & Associates, LLC in Northbrook; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$11,934
IMPR.: \$43,763
TOTAL: \$55,697

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of frame exterior construction with 3,220 square feet of living area. The dwelling is approximately 31 years old. Features of the home include a concrete slab foundation, one fireplace and a 3-car garage. The property has an approximately 23,869 square foot site and is located in La Grange, Lyons Township, Cook County. The subject is classified as a class 2-78 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument the appellant submitted information on four equity comparables located in the same assessment neighborhood code as the subject property. The comparables are improved with class 2-78 dwellings of frame or frame and masonry exterior construction ranging in size from 2,008 to 3,738 square feet of living area. The homes range in

age from 46 to 65 years old. Three comparables have an unfinished basement and one comparable has a concrete slab foundation. Each dwelling has central air conditioning and a 1.5-car or a 2-car garage. Three homes each have one fireplace. The comparables have improvement assessments ranging from \$25,825 to \$45,943 or from \$12.29 to \$12.88 per square foot of living area. Based on this evidence, the appellant requested the subject's improvement assessment be reduced to \$40,508 or \$12.58 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$55,697. The subject property has an improvement assessment of \$43,763 or \$13.59 per square foot of living area. In support of its contention of the correct assessment the board of review submitted information on four equity comparables located in the same assessment neighborhood code and within ¼ of a mile from the subject property. The comparables are improved with two-story class 2-78 dwellings of frame exterior construction ranging in size from 2,529 to 2,967 square feet of living area. The homes range in age from 24 to 29 years old. Each comparable has an unfinished basement, central air conditioning, one fireplace and a 2.5-car garage. The comparables have improvement assessments ranging from \$43,009 to \$48,717 or from \$15.47 to \$18.40 per square foot of living area. Based on this evidence, the board of review requested the subject's assessment be confirmed.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted eight equity comparables for the Board's consideration. The Board gives less weight to the appellant's comparables which differ from the subject in age and/or dwelling size. The Board gives less weight to board of review comparables #1 and #3 which are less similar to the subject in dwelling size.

The Board finds the best evidence of assessment equity to be board of review comparables #2 and #4 which are more similar to the subject in location, age, design and dwelling size. Although these two comparables have an unfinished basement foundation in contrast to the subject's concrete slab foundation, suggesting upward adjustments are needed to make these properties more equivalent to the subject. These comparables have improvement assessments of \$43,796 and \$48,717 or for \$15.47 and \$16.42 per square foot of living area, respectively. The subject's improvement assessment of \$43,763 or \$13.59 per square foot of living area falls below the two best comparables in this record. After considering adjustments to the comparables for differences from the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
