

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Laurie Mallon
DOCKET NO.: 20-30293.001-R-1
PARCEL NO.: 14-20-316-022-0000

The parties of record before the Property Tax Appeal Board are Laurie Mallon, the appellant; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$20,000
IMPR.: \$38,000
TOTAL: \$58,000

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a one and one-half-story dwelling of frame exterior construction with 1,325 square feet of living area. The dwelling is 125 years old. Features of the home include a full unfinished basement and a two-car garage. The property has a 3,125 square foot site and is located in Chicago, Lake View Township, Cook County. The subject is classified as a class 2-03 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends the assessment of the subject property as established by the decision of the Property Tax Appeal Board (PTAB) for the prior year under Docket Number 19-28028.001-R-1 should be carried forward to the 2020 tax year pursuant to section 16-185 of the Property Tax Code. (35 ILCS 200/16-185). The appellant submitted a copy of the prior year's 2019 PTAB final decision that lowered the subject's total assessment to \$58,000 based on the rollover of a prior year's decision under Docket Number 18-28556.001-R-1. The appellant's evidence also disclosed the subject property is an owner-occupied residence and that the general

assessment period for Lake View Township begins with the 2018 tax year and continues through the 2020 tax year.

For this 2020 tax year appeal, the appellant also contends assessment inequity with respect to the subject's improvement as the basis of the appeal. In support of this argument, the appellant submitted information on four equity comparables with varying degrees of similarity when compared to the subject. The comparables have improvement assessments ranging from \$36,580 to \$52,466 or from \$21.40 to \$29.50 per square foot of living area. Based on this evidence, the appellant requested in the Residential Appeal petition a reduction in the subject's improvement assessment to \$35,762 or \$26.99 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$69,013. The subject property has an improvement assessment of \$49,013 or \$36.99 per square foot of living area. The board of review evidence also confirmed that 2018 tax year was the beginning of the subject's general assessment cycle.

In support of its contention of the correct assessment, the board of review submitted information on four equity comparables with varying degrees of similarity when compared to the subject property. The comparables have improvement assessments ranging from \$38,209 to \$61,692 or from \$37.35 to \$40.86 per square foot of living area. Based on this evidence the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant requested that the assessment of the subject property as established by the Property Tax Appeal Board for the 2019 tax year should be carried forward to the 2020 tax year pursuant to section 16-185 of the Property Tax Code. (35 ILCS 200/16-185). The Property Tax Appeal Board finds section 16-185 of the Property Tax Code is controlling in this appeal and a reduction in the subject's assessment is warranted. (35 ILCS 200/16-185).

The Property Tax Appeal Board finds that the assessment as established by the Board for the 2019 tax year should be carried forward to the 2020 tax year at issue subject only to equalization as provided by section 16-185 of the Property Tax Code.

Section 16-185 of the Property Tax Code (35 ILCS 200/16-185) states in part:

If the Property Tax Appeal Board renders a decision lowering the assessment of a particular parcel on which a residence occupied by the owner is situated, such reduced assessment, subject to equalization, shall remain in effect for the remainder of the general assessment period as provided in Sections 9-215 through 9-225, unless that parcel is subsequently sold in an arm's length transaction establishing a fair cash value for the parcel that is different from the fair cash value on which the Board's assessment is based, or unless the decision of the Property Tax Appeal Board is reversed or modified upon review.

The record disclosed the Property Tax Appeal Board issued a decision reducing the subject's assessment for the 2019 tax year. The record further indicates that the subject property is an

owner-occupied dwelling, and the 2019 and 2020 tax years are within the same general assessment period for Lake View Township. The record contains no evidence indicating the subject property sold in an arm's length transaction after the Board's decision or that the decision of the Property Tax Appeal Board has been reversed or modified upon review. For these reasons the Property Tax Appeal Board finds that a reduction in the subject's assessment is warranted to reflect the assessment as established in the Board's prior year's decision plus the application of an equalization factor, if any.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
