

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: John Fattah  
DOCKET NO.: 20-30352.001-C-1  
PARCEL NO.: 16-09-204-002-0000

The parties of record before the Property Tax Appeal Board are John Fattah, the appellant(s), by attorney Ibrahim Fattah, of Law Street, LLC in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$ 13,125  
**IMPR.:** \$ 24,875  
**TOTAL:** \$ 38,000

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) after receiving a decision from the Cook County Board of Review. The instant appeal challenges the assessment for tax year 2020. The Property Tax Appeal Board (the "Board") finds that it has jurisdiction over the parties and the subject matter of this appeal.

**Findings of Fact**

The subject consists of a two-story mixed-use apartment building of masonry construction with 11,006 square feet of building area. The building is 112 years old. The property's site is 12,500 square feet, and it is located in West Chicago Township, Cook County. The subject is classified as a class 3-18 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted an appraisal estimating the subject property had a market value of \$380,000 as of January 1, 2020. The appellant also submitted a supplementary appraisal estimating the subject property had a market value of \$300,000 as of April 30, 2020. In the latter of these two reports, the appraiser largely attributes the decrease in the subject's market value to the economic impact precipitated by the global Covid-19 pandemic that ensued shortly after the former report's effective date. The appellant's pleadings state that the total assessment for the subject is

\$48,349. The subject's assessment reflects a market value of \$483,490 when applying the 2020 statutory level of assessment for class 3 property of 10.00% under the Cook County Real Property Assessment Classification Ordinance. Based on this evidence, the appellant requested a reduction in the subject's assessment to \$30,000.

The board of review failed to timely submit any evidence in support of the subject's current assessment as required by 86 Ill.Admin.Code §1910.40(a) and (d). Therefore, the Board found the board of review to be in default under 86 Ill.Admin.Code §1910.69(a).

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal, the value of the property must be proven by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales, or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did meet this burden of proof, and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be the appraisal submitted by the appellant, without regard to the supplementary appraisal report. The lien date for this appeal is January 1, 2020, and the original appraisal aptly values the subject as of that date. The supplementary appraisal report is based on economic conditions that were not present as of the lien date. As such, the Board accorded the original appraisal report more weight in this analysis. The subject's assessment reflects a market value above the best evidence of market value in the record. The Board finds the subject property had a market value of \$380,000 as of the assessment date at issue. Therefore, based on this record, the Board finds the appellant has proven, by a preponderance of the evidence, that the subject is overvalued, and that a reduction in the subject's assessment is warranted. Since market value has been established, the 2020 statutory level of assessment for class 3 property under the Cook County Real Property Assessment Classification Ordinance of 10.00% shall apply.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
