

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Jekaterina Lukashok
DOCKET NO.: 20-31381.001-R-1
PARCEL NO.: 03-10-313-019-0000

The parties of record before the Property Tax Appeal Board are Jekaterina Lukashok, the appellant(s), by attorney Eric Feldman, of Eric Feldman & Assoc. P.C. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$6,393
IMPR.: \$24,698
TOTAL: \$31,091

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of frame and masonry exterior construction with 2,430 square feet of living area. The home is approximately 33 years old. Features include a full basement, central air conditioning, and a 2-car garage. The property has an 8,525 square foot site and is located in Wheeling, Wheeling Township, Cook County. The subject is classified as a class 2-78 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellant submitted information on five equity comparables that are located in the same assessment neighborhood code as the subject property. The comparables are improved with 2-story, class 2-78 dwellings of frame and masonry exterior construction ranging in size from 2,346 to 2,570 square feet of living area. The homes are each

35 years old. The comparables each have a full basement, one of which has finished area. Each comparable has central air conditioning, one fireplace, and a 2-car garage. The comparables have improvement assessments ranging from \$21,119 to \$23,063 or from \$8.35 to \$9.00 per square foot of living area. Based on this evidence, the appellant requested that the improvement assessment be reduced to \$21,190 or \$8.72 per square foot of living area.

The appellant's submission included a copy of the "Cook County Board of Review" final decision dated February 22, 2021 which disclosed the subject has a total assessment of \$31,091. The total assessment reflects a land assessment of \$6,393 and an improvement assessment of \$24,698 or \$10.16 per square foot of living area, per the appellant's petition.

The board of review submitted its "Board of Review Notes on Appeal" which disclosed a different assessment than the board of review's final notice. Nevertheless, in support of its contention of the correct assessment, the board of review submitted information on three equity comparables that are located within the same assessment neighborhood code and on the same block as the subject property. The comparables are improved with 2-story, class 2-78 dwellings of frame and masonry exterior construction with either 2,198 or 2,430 square feet of living area. The homes are either 33 or 35 years old. The comparables each have a full basement, one of which has finished area. Each comparable has central air conditioning and a 2-car garage. One comparable has a fireplace. The comparables have improvement assessments of either \$28,387 or \$28,709 or of either \$11.68 or \$13.06 per square foot of living area. Based on this evidence, the board of review requested that the subject's assessment be confirmed.

Conclusion of Law

The appellant contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted eight suggested comparables for the Board's consideration. The Board finds the best evidence of assessment equity to be board of review comparables #1 and #2 which are on the same block as the subject and are most identical to the subject in age, dwelling size, and other features. These comparables each have an improvement assessment of \$28,387 or \$11.68 per square foot of living area. The subject's improvement assessment of \$24,698 or \$10.16 per square foot of living area falls below the improvement assessments of the two best comparables in this record. The Board gives less weight to the appellant's comparables as well as board of review comparable #3 which are less similar to the subject in dwelling size than other comparables in this record and/or have basement finish, unlike the subject. After considering appropriate adjustments to the two best comparables for differences from the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
