

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Cecile Majchrzak
DOCKET NO.: 20-32023.001-R-1
PARCEL NO.: 27-34-308-016-0000

The parties of record before the Property Tax Appeal Board are Cecile Majchrzak, the appellant, by Amy C. Floyd, Attorney at Law in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$3,389
IMPR.: \$19,289
TOTAL: \$22,678

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property is reported to consist of a 1-story townhome¹ of frame and masonry exterior construction with 1,741 square feet of living area. The dwelling is approximately 19 years old. Features of the home include a full unfinished basement, central air conditioning, one fireplace, and a 2-car garage. The property has a 3,081 square foot site and is located in Tinley Park, Orland Township, Cook County. The subject is classified as a class 2-95 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends improvement assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellant submitted information on four equity comparables located within the same neighborhood code as the subject property. The comparables are improved with 2-story, class 2-95 townhomes of frame and masonry exterior

¹ The appellant and board of review report the subject to be a 1-story townhome; however, the Board finds the photographic evidence presented by both parties depicts the subject to be a 2-story townhome.

construction ranging in size from 1,638 to 2,234 square feet of living area. The dwellings range in age from 19 to 23 years old. Each comparable has an unfinished basement, central air conditioning, and a garage.² Two comparables each have one fireplace. The comparables have improvement assessments ranging from \$14,414 to \$18,223 or from \$7.87 to \$8.80 per square foot of living area. Based on this evidence, the appellant requested that the improvement assessment be reduced to \$14,346 or \$8.24 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$22,678. The subject property has an improvement assessment of \$19,289 or \$11.08 per square foot of living area. In support of its contention of the correct assessment, the board of review submitted information on four equity comparables located in the same neighborhood code as the subject property. The comparables are reported to be improved with 1-story³ or 2-story, class 2-95 townhomes of masonry or frame and masonry exterior construction with either 1,741 or 1,993 square feet of living area. The comparables are each 19 years old. Each comparable has a basement with one having finished area, central air conditioning, one fireplace, and a 2-car garage. The comparables have improvement assessments ranging from \$19,403 to \$24,125 or from \$11.14 to \$12.10 per square foot of living area. Based on this evidence, the board of review requested the assessment be confirmed.

Conclusion of Law

The appellant contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted eight suggested comparables for the Board's consideration. The Board gives most weight to the appellant's comparables #3 and #4 as well as board of review comparables #2 and #4 which are similar to the subject property in location, age and dwelling size with varying degrees of similarity in other features. These comparables have improvement assessments ranging from \$14,414 to \$19,541 or from \$8.32 to \$11.22 per square foot of living area. The subject's improvement assessment of \$19,289 or \$11.08 per square foot of living area falls within the range established by the best comparables in this record. The Board gave less weight to the board of review's comparables #1 and #3 which differ from the subject in dwelling size or basement finish. Based on this record and after considering differences to the best comparables for differences from the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

² The photographic evidence presented by the appellant depicts each comparable as having a garage.

³ The photographic evidence presented by the board of review depicts board of review comparable #4 as a 2-story townhome.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
