

FINAL ADMINISTRATIVE DECISION ILLINOIS PROPERTY TAX APPEAL BOARD

APPELLANT: Jacob Press & Sons, Inc.
DOCKET NO.: 20-32961.001-I-1
PARCEL NO.: 18-25-313-033-0000

The parties of record before the Property Tax Appeal Board are Jacob Press & Sons, Inc., the appellant(s), by attorney Brian P. Liston, of the Law Offices of Liston & Tsantilis, P.C. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND:	\$58,177
IMPR.:	\$33,323
TOTAL:	\$91,500

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

Appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 19-year-old, one-story, industrial building, of masonry construction with 21,600 square feet of building area. The property has a 19,924 square foot site and is located in Bridgeview, Lyons Township, Cook County. The property is a class 6-63 property under the Cook County Real Property Assessment Classification Ordinance.

Appellant contends overvaluation as the basis of the appeal. In support of this argument, appellant submitted an appraisal estimating the subject property had a market value of \$915,000 after appropriate adjustments, as of January 1, 2020. The appraiser utilized the sales comparison approach based on four sales of industrial buildings comparable to the subject property that sold for prices ranging from \$29.35 to \$40.63 per square foot of building area. The appraiser also utilized the income capitalization approach. After reconciling the two approaches, the appraiser concluded the subject property's market value to be \$915,000. Appellant also

submitted a copy of the board of review's written decision providing for a total assessed valuation for the subject property of \$181,869. Based on this evidence, appellant requests the subject property's total assessment be reduced to \$91,500.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$181,869. The subject's assessment reflects a market value of \$1,818,690, or \$84.20 per square foot of building area, including land, when applying the level of assessments for class 6b property under the Cook County Real Property Assessment Classification Ordinance of 10%.

This matter was set to proceed to hearing. Prior to hearing, the parties submitted a written request to waive hearing and for this matter be written on the evidence previously submitted. The administrative law judge granted the parties' request.

Conclusion of Law

Appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds appellant *did meet* this burden of proof and a reduction in the subject's assessment *is* warranted.

The Board finds the best evidence of market value to be *the appraisal submitted by appellant*. The appraiser utilized the sales comparison approach based on four sales of industrial buildings comparable to the subject property that sold for prices ranging from \$29.35 to \$40.63 per square foot of building area. The appraiser also utilized the income capitalization approach. After reconciling the two approaches, the appraiser concluded the subject property's market value to be \$915,000 as of January 1, 2020. The subject's assessment of \$181,869 reflects a market value above the best evidence of market value in the record. The Board finds the subject property had a market value of \$915,000 as of the assessment date at issue. Since market value has been established the level of assessment for class 6b property under the Cook County Real Property Assessment Classification Ordinance of 10% shall apply. (86 Ill.Admin.Code §1910.50(c)(2)).

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
