

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Tomislav Milnovic
DOCKET NO.: 20-34863.001-R-1
PARCEL NO.: 18-09-122-023-0000

The parties of record before the Property Tax Appeal Board are Tomislav Milnovic, the appellant, by attorney Andrew S. Dziuk, of Andrew Dziuk, Esq. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$5,227
IMPR.: \$27,126
TOTAL: \$32,353

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 1-story dwelling of masonry exterior construction with 1,233 square feet of living area. The dwelling is approximately 67 years old. Features of the home include an unfinished basement, one fireplace and a 1-car garage. The property has a 6,150 square foot site and is located in La Grange, Lyons Township, Cook County. The subject is classified as a class 2-03 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellant submitted four equity comparables that are located in the same assessment neighborhood code as the subject property. The comparables are improved with class 2-03, 1-story dwellings of masonry exterior construction ranging in size from 1,340 to 1,461 square feet of living area. The dwellings range in age from 66 to 71 years old. One comparable has a crawl-space foundation and three comparables have a basement, one with finished area. Each comparable has either one or two fireplaces and a 1-car, a 1.5-car or a 2-

car garage. Three comparables have central air conditioning. The comparables have improvement assessments that range from \$24,120 to \$26,780 or from \$18.00 to \$19.00 per square foot of living area. Based on this evidence, the appellant requested the subject's improvement assessment be reduced to \$22,194 or \$18.00 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$32,353. The subject property has an improvement assessment of \$27,126 or \$22.00 per square foot of living area.

In support of its contention of the correct assessment, the board of review submitted information on four equity comparables located within the same assessment neighborhood code as the subject property. The comparables are improved with class 2-03, 1-story dwellings of masonry exterior construction ranging in size from 1,050 to 1,212 square feet of living area. The dwellings range in age from 67 to 72 years old. Each comparable has a basement, two with finished area and either a 1-car or a 2-car garage. Three comparables have central air conditioning and two comparables each have one fireplace. The comparables have improvement assessments that range from \$25,428 to \$29,287 or from \$24.16 to \$25.17 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains eight suggested equity comparables for the Board's consideration. The Board has given less weight to appellant's comparables #2, #3 and #4 as well as board of review comparables #1, #2 and #3 due to their central air conditioning, a feature the subject lacks.

The Board finds the best evidence of assessment equity to be appellant's comparable #1 along with board of review comparable #4. The Board finds that these comparables are most similar to the subject in location, design, age, dwelling size and some features. However, the board of review comparable #4 has a finished basement, suggesting downward adjustment would be required to make this comparable more equivalent to the subject. Nevertheless, these two most similar comparables have improvement assessments of \$24,120 and \$29,119 or \$19.00 and \$25.17 per square foot of living area. The subject's improvement assessment of \$27,126 or \$18.00 per square foot of living area, is bracketed by the two best comparables in this record. Based on this record and after considering adjustments to the comparables for differences from the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
