

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Karen Koulogeorge
DOCKET NO.: 20-34955.001-R-1
PARCEL NO.: 04-11-302-014-0000

The parties of record before the Property Tax Appeal Board are Karen Koulogeorge, the appellant(s), by attorney George J. Relias, of Relias Law Group, Ltd. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$55,800
IMPR.: \$112,200
TOTAL: \$168,000

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Property Tax Appeal Board pursuant to section 16-185 of the Property Tax Code (35 ILCS 200/16-185) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property is improved with a 19-year-old, two-story dwelling of masonry construction with 7,653 square feet of gross building area. The property has a 79,715 square foot site in Northfield Township, Cook County, and is a Class 2 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant disclosed that the subject property is an owner-occupied residence that was the subject matter of an appeal before the Property Tax Appeal Board in a prior year under Docket Number 19-33645. In that appeal, the Property Tax Appeal Board issued a decision lowering the assessment of the subject property to \$168,000 based on the evidence submitted by the parties. The tax years 2019 and 2020 are within the same general assessment period. The appellant also

submitted assessment information on four comparable properties to demonstrate the subject was inequitably assessed and an appraisal to demonstrate the subject was overvalued.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$172,131. The subject's assessment reflects a market value of \$1,721,310 or \$224.92 per square foot of living area, land included, when using the 2020 Cook County Real Property Assessment Classification Ordinance assessment level of 10.00% for Class 2 property. The subject property has an improvement assessment of \$15.20 per square foot of living area. In support of its contention of the correct assessment the board of review submitted four equity comparable properties and four comparable sales.

Conclusion of Law

Pursuant to section 16-185 of the Property Tax Code (35 ILCS 200/16-185), the Board finds the prior year's decision should be carried forward to the subsequent year subject only to equalization.

Section 16-185 of the Property Tax Code (35 ILCS 200/16-185) provides, in relevant part:

If the Property Tax Appeal Board renders a decision lowering the assessment of a particular parcel on which a residence occupied by the owner is situated, such reduced assessment, subject to equalization, shall remain in effect for the remainder of the general assessment period as provided in Sections 9-215 through 9-225, unless that parcel is subsequently sold in an arm's length transaction establishing a fair cash value for the parcel that is different from the fair cash value on which the Board's assessment is based, or unless the decision of the Property Tax Appeal Board is reversed or modified upon review.

The record disclosed the Property Tax Appeal Board issued a decision reducing the subject's assessment for the 2019 tax year. The record further indicates that the subject property is an owner-occupied dwelling and that 2019 and 2020 are within the same general assessment period. The record contains no evidence indicating the subject property sold in an arm's-length transaction after the Board's decision or that the decision of the Property Tax Appeal Board has been reversed or modified upon review. For these reasons the Property Tax Appeal Board finds that a reduction in the subject's assessment is warranted to reflect the assessment as established in the Board's prior year's decision plus the application of an equalization factor, if any.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
