

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Ajit Choudhary
DOCKET NO.: 20-35894.001-R-1
PARCEL NO.: 29-04-411-019-0000

The parties of record before the Property Tax Appeal Board are Ajit Choudhary, the appellant, by attorney Noah J. Schmidt, of Schmidt Salzman & Moran, Ltd. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$1,406
IMPR.: \$4,931
TOTAL: \$6,337

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 1-story dwelling of masonry exterior construction with 1,043 square feet of living area. The dwelling is approximately 68 years old. Features of the home include an unfinished basement, central air conditioning, and a 1.5-car garage. The property has a 3,750 square foot site and is located in Riverdale, Thornton Township, Cook County. The subject is classified as a class 2-03 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellant submitted information on five equity comparables located in the same neighborhood code as the subject property¹, along with property characteristic printouts for the comparables. The comparables are improved 1-story or “1.5-1.9”-

¹ For ease of reference, the Board has identified the last comparable as #5.

story, class 2-03 dwellings of frame or masonry exterior construction ranging in size from 1,050 to 1,142 square feet of living area. The homes range in age from 65 to 125 years old. Based on the property printouts, four comparables each have an unfinished basement and one comparable is reported to lack a basement foundation. Two comparables each have a 1.5-car or a 2-car garage. The comparables have improvement assessments ranging from \$273 to \$2,827 or from \$0.26 to \$2.48 per square foot of living area. Based on this evidence, the appellant requested that the subject's total improvement assessment be reduced.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$6,337. The subject property has an improvement assessment of \$4,931 or \$4.73 per square foot of living area. In support of its contention of the correct assessment, the board of review submitted information on four equity comparables located in the same neighborhood code as the subject property. The comparables are improved with 1-story or 1.5-story, class 2-03 dwellings of masonry or frame and masonry exterior construction ranging in size from 1,058 to 1,198 square feet of living area. The homes range in age from 69 to 80 years old. Each comparable has an unfinished basement and a 1-car or a 2-car garage. One comparable has central air conditioning. The comparables have improvement assessments ranging from \$5,089 to \$6,295 or from \$4.25 to \$5.95 per square foot of living area. Based on this evidence, the board of review requested the subject's assessment be confirmed.

Conclusion of Law

The appellant contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted nine suggested comparables for the Board's consideration. The Board finds the best evidence of assessment equity to be the appellant's comparable #5 as well as the board of review comparable #1 which are overall more similar to the subject in location, design, age, and dwelling size with varying degrees of similarity in other features. The appellant's comparable #5 lacks a garage, which is a feature of the subject, suggesting an upward adjustment would be required to make it more equivalent to the subject. These two comparables have improvement assessments of \$2,827 and \$6,295 or \$2.48 and \$5.95 per square foot of living area. The subject's improvement assessment of \$4,931 or \$4.73 per square foot of living area is bracketed by the two best comparables in this record. The Board gives less weight to the remaining comparables due to differences in design, age, garage amenity, and/or foundation type when compared to the subject. Based on this record and after considering adjustments to the two best comparables for differences when compared to the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
