

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Hana Kim-Sobeck  
DOCKET NO.: 20-36139.001-R-1  
PARCEL NO.: 14-07-116-022-0000

The parties of record before the Property Tax Appeal Board are Hana Kim-Sobeck, the appellant(s), by attorney Brian P. Liston, of the Law Offices of Liston & Tsantilis, P.C. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$ 13,125  
**IMPR.:** \$ 32,258  
**TOTAL:** \$ 45,383

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) after receiving a decision from the Cook County Board of Review. The instant appeal challenges the assessment for tax year 2020. The Property Tax Appeal Board (the "Board") finds that it has jurisdiction over the parties and the subject matter of this appeal.

**Findings of Fact**

The subject consists of a one and one-half-story dwelling of frame construction with 1,516 square feet of living area. The dwelling is 107 years old. Features of the home include a full unfinished basement and a two-car garage. The property's site is 3,125 square feet, and it is located in Lake View Township, Cook County. The subject is classified as a class 2-03 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity as the basis of the appeal. In support of this argument, the appellant submitted information on three equity comparables.

The subject property was the subject matter of an appeal before the Board in 2018 under docket number 18-30205. In that appeal, the Board rendered a decision lowering the subject's assessment to \$47,500. In Section II of the appeal form, the appellant stated that the subject is

owner-occupied. Based on this evidence, the appellant requested a reduction in the subject's assessment to \$35,895.

The board of review submitted its "Board of Review Notes on Appeal" disclosing that the total assessment for the subject is \$45,383. The subject property has an improvement assessment of \$32,258, or \$21.28 per square foot of living area.

In support of its contention of the correct assessment, the board of review submitted information on four equity comparables.

### **Conclusion of Law**

Section 16-185 of the Property Tax Code provides, in relevant part:

If the Property Tax Appeal Board renders a decision lowering the assessment of a particular parcel on which a residence occupied by the owner is situated, such reduced assessment, subject to equalization, shall remain in effect for the remainder of the general assessment period as provided in Sections 9-215 through 9-225, unless that parcel is subsequently sold in an arm's-length transaction establishing a fair cash value for the parcel that is different from the fair cash value on which the Board's assessment is based, or unless the decision of the Property Tax Appeal Board is reversed or modified upon review.

35 ILCS 200/16-185. Additionally, "Standard of proof. Unless otherwise provided by law or stated in the agency's rules, the standard of proof in any contested case hearing conducted under this Act by an agency shall be the preponderance of the evidence." 5 ILCS 100/10-15. The Board takes official notice that it rendered a decision lowering the subject's assessment for tax year 2018 (86 Ill.Admin.Code §1910.90(i)), and that tax year 2018 and the instant tax year of 2020 are in the same general assessment period for Lake View Township. Cook County, Ill., Code of Ordinances §§ 74-31 and 74-32(1). The Board further finds that the subject is owner-occupied based on the appellant's statement in Section II of the appeal form, which states that the subject is owner-occupied. The record contains no evidence indicating that the subject sold in an arm's-length transaction subsequent to the Board's 2018 decision, or that the Board's 2018 decision was reversed or modified upon review. For these reasons, the Board finds that the appellant has proven, by a preponderance of the evidence, that the subject's assessment should be carried forward, pursuant to section 16-185 of the Property Tax Code, to reflect the Board's 2018 decision, plus the application of an equalization factor, if any. However, as the subject's current assessment is lower than the assessment to be carried forward, the Board finds that no change in the subject's assessment is warranted based on section 16-185 of the Property Tax Code.

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proven by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject

property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof, and that a reduction in the subject's assessment is not warranted.

The Board finds the best evidence of assessment equity to be appellant's equity comparable #1 and all of the board of review's equity comparables. These equity comparables had improvement assessments ranging from \$12.57 to \$27.27 per square foot of living area. The subject's improvement assessment of \$21.28 per square foot of living area falls within the range established by the best comparables in this record. Based on this record, the Board finds the appellant has not proven, with clear and convincing evidence, that the subject is inequitably assessed, and that a reduction in the subject's assessment is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
