

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Ademola Yusuf Dynasty Holdings 2
DOCKET NO.: 20-36572.001-R-1
PARCEL NO.: 20-27-200-034-0000

The parties of record before the Property Tax Appeal Board are Ademola Yusuf Dynasty Holdings 2, the appellant(s), by attorney Jessica Hill-Magiera, Attorney at Law in Lake Zurich; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$3,817
IMPR.: \$10,031
TOTAL: \$13,848

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling with 1,666 square feet of living area. Features include a full basement and a two-car garage. The property has a 3,054 square foot site located in Hyde Park Township, Cook County. The subject is classified as a class 2-05 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant's appeal is based on overvaluation. In support of this argument the appellant submitted an ALTA settlement statement that disclosed the subject property was purchased on May 30, 2019, for a price of \$20,000, or \$12.00 per square foot of living area, including land. The Board notes the appellant did not complete Section IV- Recent Sale Data of the Property Tax Appeal Board's appeal form. The appellant did not indicate whether the subject was sold in a foreclosure action or whether the subject was sold using a contract for deed. Based on this

evidence, the appellant requested a reduction in the subject's assessment to reflect the purchase price.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$13,848. The subject's assessment reflects a market value of \$138,480, or \$83.12 per square foot of living area, land included, when using the 2020 level of assessment for class 2 property of 10% under the Cook County Real Property Assessment Classification Ordinance. In support of its contention of the correct assessment the board of review submitted information on four comparable sales.

In written rebuttal, the appellant stated the county did not dispute the recent sale of the subject unit.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds the best evidence of market value in the record to be the board of review's comparable sales #1, #2, and #3. These comparables are similar to the subject in location, style, construction, features, age, and land area. These properties sold proximate in time to the assessment date at issue. These sales ranged from \$88.78 to \$143.24 per square foot of living area, including land. The subject's assessment reflects a market value of \$138,480, or \$83.12, which is below the range established by the best comparable sales in this record. The Board gave little weight to the subject's recent sale due to the fact the appellant did not complete Section IV- Recent Sale Data of the Property Tax Appeal Board's appeal form indicating whether the sale of the subject was subject to a foreclosure action. As such, the Board is unable to determine whether the recent sale of the subject was a transaction between a willing seller and a willing buyer or reflective of the subject's market value. The Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
