

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Konstantino Aetideas 9754 Brennan LLC
DOCKET NO.: 20-36573.001-R-1
PARCEL NO.: 26-07-112-053-0000

The parties of record before the Property Tax Appeal Board are Konstantino Aetideas 9754 Brennan LLC, the appellant(s), by attorney Jessica Hill-Magiera, Attorney at Law in Lake Zurich; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$1,925
IMPR.: \$1,575
TOTAL: \$3,500

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 3,500 square foot parcel of land improved with a 69-year-old, one and one-half story, frame and masonry, rowhouse containing 1,308 square feet of building area. The property is located in Chicago, Hyde Park Township, Cook County and is classified as a class 2-10 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of the market value argument, appellant submitted copies of the settlement statement and the transfer declaration which disclosed the purchase of the subject March 2, 2020 for \$35,000. The settlement statement included commissions to realty companies and the transfer declaration disclosed the subject was advertised for sale. The petition discloses that the transfer was not between related parties, that

the property was advertised for sale, and that the property was not sold due to a foreclosure or for a contract for deed.

The board of review submitted its "Board of Review Notes on Appeal." The subject's total assessment is \$7,855 which reflects a market value of \$78,550 using the level of assessment for class 2 property of 10% under the Cook County Real Property Assessment Classification Ordinance.

In support of its contention of the correct assessment the board of review three sales comparables. These properties are described as two-story, masonry, rowhouses. They are 70 or 71 years old, contain 946 square feet of building area, and sold from September 2018 to August 2019 for prices ranging from \$95.14 to \$100.42 per square foot of building area. The board of review also lists the sale of the subject in March 2020 for \$35,000.

In rebuttal, the appellant asserted the best evidence of market value was the sale of the subject in March 2020.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c).

The Board finds the best evidence of market value to be the purchase of the subject property in March 2020 for a price of \$35,000. The appellant submitted evidence of the sale of the subject and the board of review did not show the sale was not at arm's-length. In addition, the settlement statement includes realty commissions which indicate the subject was listed on the open market. Based on this record the Board finds the subject property had a market value of \$35,000 as of the lien date. Since market value has been determined, the level of assessment of 10% for Class 2 property under the Cook County Real Property Assessment Classification Ordinance shall apply and a reduction in the subject's assessment is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
