

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: A&R Rehab, LLC
DOCKET NO.: 20-37310.001-R-1
PARCEL NO.: 28-26-307-042-0000

The parties of record before the Property Tax Appeal Board are A&R Rehab, LLC, the appellant, by attorney Brian P. Liston, of the Law Offices of Liston & Tsantilis, P.C. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$2,595
IMPR.: \$4,978
TOTAL: \$7,573

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 1-story dwelling of frame construction with 1,034 square feet of living area. The dwelling is 49 years old and has a slab foundation. The property has an 8,651 square foot site and is located in Hazel Crest, Bremen Township, Cook County. The subject is classified as a class 2-03 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity with respect to the subject's improvement as the basis of the appeal. In support of this argument the appellant submitted information on three comparable properties that are located in Country Club Hills. The comparables are improved with 1-story dwellings of frame construction with 1,100 or 1,132 square feet of living area. The dwellings are 63 or 64 years old. One comparable has central air conditioning and each

comparable has from a 2-car to a 3-car garage. The comparables have improvement assessments ranging from \$1,250 to \$1,816 or from \$1.11 to \$1.65 per square foot of living area.

Based on this evidence the appellant requested that the subject's improvement assessment be reduced to \$1,510.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$7,573. The subject property has an improvement assessment of \$4,978 or \$4.81 per square foot of living area. In support of its contention of the correct assessment the board of review submitted information on four comparable properties, three of which are located in Hazel Crest and one of which is located in Country Club Hills. The comparables are improved with 1-story dwellings of frame construction with 1,034 or 1,040 square feet of living area. The dwellings are 49 years old. Two comparables have full basements, each of which have finished area, and two comparables have slab foundations. One comparable has central air conditioning and three comparables have from a 1-car to a 2.5-car garage. The comparables have improvement assessments ranging from \$5,946 to \$9,277 or from \$5.75 to \$8.92 per square foot of living area.

Based on this evidence the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The taxpayer contends improvement assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds the best evidence of assessment equity to be the board of review's comparables #2 and #3. These comparables had improvement assessments of \$5,946 and \$6,245 or \$5.75 and \$6.04 per square foot of living area. The subject's improvement assessment of \$4,978 or \$4.81 per square foot of living area falls below the improvement assessments of the best comparables in this record. The Board gave less weight to the appellant's comparables, as well as the board of review's comparables #1 and #4, due to their location in Country Club Hills and/or their dissimilar basement foundations when compared to the subject. Based on this record the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
