

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Debra Kott

PARCEL NO.: See Below

The parties of record before the Property Tax Appeal Board are Debra Kott, the appellant, by attorney Dimitrios Trivizas, of Dimitrios P. Trivizas, Ltd. in Skokie; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

DOCKET NO	PARCEL NUMBER	LAND	IMPRVMT	TOTAL
20-37517.001-R-1	18-12-410-013-0000	2,343	8,366	\$10,709
20-37517.002-R-1	18-12-410-014-0000	2,343	0	\$2,343

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 1-story dwelling of frame exterior construction with 1,080 square feet of living area. The dwelling is approximately 102 years old. The property has a 7,500 square foot site and is located in Summit, Lyons Township, Cook County. The subject is classified as a class 2-03 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity concerning the improvement as the basis of the appeal. In support of this argument the appellant submitted information on three equity comparables located within the same assessment neighborhood code as the subject and either 0.8 of a mile or 1.3 miles from the subject. The comparables are improved with 2-story, Class 2-03 homes of frame exterior construction ranging in size from 1,009 to 1,317 square feet of living area. The dwellings range in age from 66 to 81 years old. Two homes each have a basement and

two homes each have a 1-car or a 2-car garage. The comparables have improvement assessments ranging from \$8,122 to \$10,265 or from \$7.40 to \$8.05 per square foot of living area.

Based on this evidence, the appellant requested a reduction in the subject's improvement assessment to \$8,366.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$11,460. The subject property has an improvement assessment of \$9,117 or \$8.44 per square foot of living area.

In support of its contention of the correct assessment the board of review submitted information on four equity comparables located within the same assessment neighborhood code as the subject and either within 0.25 of a mile from the subject or within the subarea of the subject. The comparables are improved with 1-story or 1.5-story, Class 2-03 homes of frame exterior construction ranging in size from 1,008 to 1,065 square feet of living area. The dwellings range in age from 80 to 122 years old. Each home has a basement, one of which has finished area. One home has central air conditioning and three homes each have a 1-car or 2-car garage. The comparables have improvement assessments ranging from \$9,798 to \$12,012 or from \$9.72 to \$11.44 per square foot of living area.

Based on this evidence, the board of review requested the subject's assessment be sustained.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The record contains a total of seven equity comparables for the Board's consideration. The Board gave less weight to the appellant's comparables, due to substantial differences from the subject in dwelling size and/or which are located more distant from the subject than the other comparables in this record.

The Board finds the best evidence of assessment equity to be the board of review's comparables, which are more similar to the subject in dwelling size, age, location, and some features, although one comparable has central air conditioning unlike the subject, three comparables each have a basement unlike the subject, and three comparables each have a garage unlike the subject, suggesting downward adjustments to these comparables would be needed to make them more equivalent to the subject. These comparables have improvement assessments that range from \$9,798 to \$12,012 or from \$9.72 to \$11.44 per square foot of living area. The subject's improvement assessment of \$9,117 or \$8.44 per square foot of living area falls below the range established by the best comparables in this record. However, after considering appropriate

adjustments to the best comparables for differences from the subject, the Board find the subject's assessment is excessive. Based on this record the Board finds the appellant demonstrated with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment commensurate with the appellant's request is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
