

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Debra Kott
DOCKET NO.: 20-37519.001-R-1
PARCEL NO.: 18-17-213-007-0000

The parties of record before the Property Tax Appeal Board are Debra Kott, the appellant, by attorney Dimitrios Trivizas, of Dimitrios P. Trivizas, Ltd. in Skokie; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$12,200
IMPR.: \$21,208
TOTAL: \$33,408

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 1.5-story dwelling of frame exterior construction with 2,482 square feet of living area. The dwelling is approximately 71 years old. Features of the home include a basement and a 2-car garage. The property has a 24,400 square foot site and is located in Countryside, Lyons Township, Cook County. The subject is classified as a class 2-04 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity concerning the improvement as the basis of the appeal. In support of this argument the appellant submitted information on three equity comparables located within the same assessment neighborhood code as the subject and from 0.4 of a mile to 1.5 miles from the subject. The comparables are improved with 1-story, Class 2-04 homes of frame exterior construction ranging in size from 1,920 to 3,077 square feet of living area. The dwellings range in age from 68 to 82 years old. Each home has a 2-car or a 2.5-car

garage. One home has central air conditioning. The comparables have improvement assessments ranging from \$14,108 to \$24,601 or from \$7.17 to \$8.00 per square foot of living area. Based on this evidence, the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$33,408. The subject property has an improvement assessment of \$21,208 or \$8.54 per square foot of living area.

In support of its contention of the correct assessment the board of review submitted information on four equity comparables located within the same assessment neighborhood code as the subject and on the same block, within 0.25 of a mile, or in the same subarea as the subject. The comparables are improved with 1.5-story, Class 2-04 homes of frame exterior construction ranging in size from 2,212 to 2,991 square feet of living area. The dwellings range in age from 69 to 74 years old. Each home has from a 1.5-story or a 3-car garage. Three homes each have a concrete slab foundation and one home has a basement. Three homes each have central air conditioning and one fireplace. The comparables have improvement assessments ranging from \$26,017 to \$29,173 or from \$8.96 to \$12.72 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of seven equity comparables for the Board's consideration. The Board gives less weight to the appellant's comparables and the board of review's comparables #2 and #3, due to substantial differences from the subject in design, dwelling size, and/or foundation type, and/or location more than one mile from the subject.

The Board finds the best evidence of assessment equity to be the board of review's comparables #1 and #4, which are more similar to the subject in dwelling size, age, location, and features, although these comparables have central air conditioning unlike the subject, suggesting downward adjustments to these comparables would be needed to make them more equivalent to the subject. These comparables have improvement assessments of \$26,017 and \$26,890 or \$11.26 and \$12.16 per square foot of living area, respectively. The subject's improvement assessment of \$21,208 or \$8.54 per square foot of living area falls below the best two comparables in this record. Based on this record and after considering appropriate adjustments to the best comparables for differences from the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
