

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Ahmad Hammad  
DOCKET NO.: 20-37520.001-R-1  
PARCEL NO.: 18-25-304-032-0000

The parties of record before the Property Tax Appeal Board are Ahmad Hammad, the appellant, by attorney Dimitrios Trivizas, of Dimitrios P. Trivizas, Ltd. in Skokie; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$3,192  
**IMPR.:** \$11,342  
**TOTAL:** \$14,534

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a 1-story dwelling of masonry exterior construction with 1,272 square feet of living area. The dwelling is approximately 60 years old. Features of the home include a concrete slab foundation, central air conditioning, and a 1.5-car garage. The property has a 7,980 square foot site and is located in Bridgeview, Lyons Township, Cook County. The subject is classified as a class 2-03 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity concerning the improvement as the basis of the appeal. In support of this argument the appellant submitted information on three equity comparables located within the same assessment neighborhood code as the subject and from 0.2 of a mile to 1.3 miles from the subject. The comparables are improved with 1-story, Class 2-03 homes of masonry exterior construction ranging in size from 1,432 to 1,548 square feet of living

area. The homes are 61 years old. Each home has a 1-car or a 2-car garage. One comparable has a basement. The comparables have improvement assessments ranging from \$13,083 to \$13,627 or from \$8.80 to \$9.14 per square foot of living area. Based on this evidence, the appellant requested a reduction in the subject's improvement assessment to \$11,342.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$17,342. The subject property has an improvement assessment of \$14,150 or \$11.12 per square foot of living area. In support of its contention of the correct assessment the board of review submitted information on four equity comparables located within the same assessment neighborhood code as the subject and on the same block as the subject. The comparables are improved with 1-story, Class 2-03 homes of masonry exterior construction with 1,056 square feet of living area. The dwellings range in age from 59 to 61 years old. Three homes each have a basement and one home has crawl space foundation. One home has a fireplace and each home has a 2-car garage. The comparables have improvement assessments ranging from \$14,688 to \$15,127 or from \$13.91 to \$14.32 per square foot of living area. Based on this evidence, the board of review requested the subject's assessment be sustained.

### **Conclusion of Law**

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The record contains a total of seven equity comparables for the Board's consideration. The Board gives less weight to the appellant's comparable #1, which is located more than one mile from the subject. The Board gives less weight to the board of review's comparables, due to substantial differences from the subject in dwelling size.

The Board finds the best evidence of assessment equity to be the appellant's comparables #2 and #3, which are more similar to the subject in dwelling size, age, location, and some features, although these comparables lack central air conditioning that is a feature of the subject and one home has a basement unlike the subject, suggesting adjustments to these comparables would be needed to make them more equivalent to the subject. These two most similar comparables have improvement assessments of \$13,083 and \$13,135 or \$9.14 and \$8.81 per square foot of living area, respectively. The subject's improvement assessment of \$14,150 or \$11.12 per square foot of living area falls above the best comparables in this record and appears to be excessive. Based on this record and after considering appropriate adjustments to the best comparables for differences from the subject, the Board finds the appellant demonstrated with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment commensurate with the appellant's request is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
