

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Chris Barker
DOCKET NO.: 20-38968.001-R-1
PARCEL NO.: 28-29-107-033-0000

The parties of record before the Property Tax Appeal Board are Chris Barker, the appellant, by attorney Brian S. Maher, of Weis, DuBrock, Doody & Maher in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$6,796
IMPR.: \$19,999
TOTAL: \$26,795

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of frame and masonry exterior construction with 1,712 square feet of living area. The dwelling is 33 years old. Features of the home include an unfinished full basement, central air conditioning, a fireplace and a 2-car garage. The property has a 10,875 square foot site and is located in Tinley Park, Bremen Township, Cook County. The subject is classified as a class 2-07 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity with respect to the subject's improvement as the basis of the appeal. In support of this argument the appellant submitted information on four comparable properties, two of which are located within the same neighborhood code as the subject. The comparables are improved with 2-story dwellings of frame or frame and masonry exterior construction ranging in size from 1,753 to 1,849 square feet of living area. The

dwelling range in age from 35 to 51 years old. One comparable has a partial basement and three comparables do not have a basement foundation. Three comparables have central air conditioning, one comparable has a fireplace, and each comparable has a 1-car or a 2-car garage. The comparables have improvement assessments ranging from \$14,894 to \$20,250 or from \$8.48 to \$11.19 per square foot of living area.

Based on this evidence the appellant requested that the subject's improvement assessment be reduced to \$16,777.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$26,795. The subject property has an improvement assessment of \$19,999 or \$11.68 per square foot of living area. In support of its contention of the correct assessment the board of review submitted information on three comparable properties, two of which are located within the same neighborhood code as the subject.¹ The board of review's comparable #1 is the same property as the appellant's comparable #1. The comparables are improved with 2-story dwellings of frame and masonry exterior construction ranging in size from 1,753 to 1,975 square feet of living area. The dwellings range in age from 35 to 50 years old. Two comparables have full or partial basements, one of which has finished area, and one comparable has a slab foundation. Two comparables have central air conditioning, one comparable has a fireplace, and each comparable has from a 1.5-car to a 2.5-car garage. The comparables have improvement assessments ranging from \$16,008 to \$23,071 or from \$9.11 to \$11.68 per square foot of living area.

Based on this evidence the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The taxpayer contends improvement assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds the best evidence of assessment equity to be the appellant's comparables #1 and #2, as well as the board of review's comparables #1 and #2, which includes the parties' common comparable. These comparables had improvement assessments that ranged from \$19,610 to \$23,071 or from \$10.96 to \$11.68 per square foot of living area. The subject's improvement assessment of \$19,999 or \$11.68 per square foot of living area falls within the range established by the best comparables in this record on a total improvement assessment basis and equal to the higher end of the range on a per square foot basis. The Board gave less weight to the parties'

¹ The board of review listed the subject property as comparable #3, so the Board has renumbered the board of review's comparable #4 as comparable #3.

remaining comparables, due to their locations outside the subject's neighborhood code. Based on this record the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
