

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Joseph Felix
DOCKET NO.: 20-39233.001-R-1
PARCEL NO.: 15-33-220-014-0000

The parties of record before the Property Tax Appeal Board are Joseph Felix, the appellant(s), by attorney Andrew S. Dziuk, of Andrew Dziuk, Esq. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$4,500
IMPR.: \$19,373
TOTAL: \$23,873

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject consists of a multi-level single-family dwelling of frame and masonry construction with 1,036 square feet of living area. The dwelling is 63 years old. Features of the home include a partial finished basement with a formal recreation room and one full bathroom. The property's site is 7,500 square feet, and it is located in La Grange Park, Proviso Township, Cook County. The subject is classified as a class 2-34 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity as the basis of the appeal. In support of this argument the appellant submitted information on four equity comparables with varying degrees of similarity to the subject. The comparables had the same neighborhood code as the subject and were located within a ten-block radius of the subject. The comparables have improvement

assessments ranging from \$13.58 to \$15.94 per square foot of living area. Based on this evidence, the appellant requested a reduction in the subject's assessment to \$20,247.

The board of review submitted its Board of Review Notes on Appeal disclosing the total assessment for the subject of \$23,873. The subject property had an improvement assessment of \$19,373 or \$18.70 per square foot of living area. In support of its contention of the correct assessment, the board of review submitted information on four suggested equity comparable properties. The comparables are located within the same subarea as the subject. The board of review requested confirmation of the subject's assessment.

Prior to a scheduled March 18, 2024, hearing before a PTAB Administrative Law Judge the parties entered into a written agreement to waive hearing and have a decision rendered based on the previously submitted evidence.

Conclusion of Law

The appellant contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question and recommended not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparable properties to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds the best evidence of assessment equity to be the board of review's comparables comparables #1 through #3. These comparable properties were most similar with the subject and had improvement assessments that ranged from \$18.85 to \$21.53 per square foot of living area. The subject's improvement assessment of \$18.70 per square foot of living area falls below the range established by the best comparable properties in this record. After considering adjustments to the comparables for differences from the subject, the Board finds the subject's improvement assessment is supported. Based on this record the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
