

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: ABC Turnkey Properties
DOCKET NO.: 20-39450.001-R-1
PARCEL NO.: 30-07-406-024-0000

The parties of record before the Property Tax Appeal Board are ABC Turnkey Properties, the appellant, by attorney Brian P. Liston, of the Law Offices of Liston & Tsantilis, P.C. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$1,750
IMPR.: \$4,282
TOTAL: \$6,032

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 1.5-story dwelling of frame exterior construction with 780 square feet of living area. The dwelling is approximately 79 years old. Features of the home include a basement, central air conditioning, and a 2-car garage. The property has a 5,000 square foot site and is located in Calumet City, Thornton Township, Cook County. The subject is classified as a class 2-02 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity regarding the improvement as the basis of the appeal. In support of this argument the appellant submitted information on three equity comparables located within the same assessment neighborhood code as the subject and from .4 of a mile to 1.6 miles from the subject. The comparables are improved with class 2-02 homes of frame or frame and masonry exterior construction ranging in size from 800 to 900 square feet of

living area. The dwellings range in age from 91 to 110 years old. Each home has a basement, one of which has finished area, and a 2-car garage. One home has central air conditioning. The comparables have improvement assessments ranging from \$2,780 to \$3,222 or from \$3.48 to \$3.82 per square foot of living area. Based on this evidence, the appellant requested a reduction in the subject's improvement assessment to \$2,792.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$6,032. The subject property has an improvement assessment of \$4,282 or \$5.49 per square foot of living area. In support of its contention of the correct assessment the board of review submitted information on three equity comparables located within the same assessment neighborhood code as the subject, two of which are within 0.25 of a mile from the subject. The comparables are improved with 1-story, class 2-02 homes of frame, masonry, or stucco exterior construction ranging in size from 476 to 676 square feet of living area. The dwellings range in age from 70 to 95 years old. Two homes each have a basement with finished area and one home has a concrete slab foundation. Two comparables have a 1-car or a 2-car garage. The comparables have improvement assessments ranging from \$4,810 to \$5,179 or from \$7.22 to \$10.88 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of six equity comparables for the Board's consideration. The Board gives less weight to the appellant's comparables #1 and #3 and the board of review's comparables #2 and #3, due to substantial differences from the subject in dwelling size and/or location more than one mile from the subject.

The Board finds the best evidence of assessment equity to be the appellant's comparable #2 and the board of review's comparable #1, which are more similar to the subject in dwelling size and location, but have varying degrees of similarity to the subject in age and features, suggesting adjustments to these comparables would be needed to make them more equivalent to the subject. These comparables have improvement assessments of \$3,222 and \$4,880 or \$3.58 and \$7.22 per square foot of living area, respectively. The subject's improvement assessment of \$4,282 or \$5.49 per square foot of living area is bracketed by the best comparables in this record. Based on this record and after considering appropriate adjustments to the best comparables for differences from the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
