

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Richard Grossman
DOCKET NO.: 20-39763.001-R-1
PARCEL NO.: 14-33-302-038-0000

The parties of record before the Property Tax Appeal Board are Richard Grossman, the appellant(s), by attorney Robert Rosenfeld, of Robert H. Rosenfeld & Associates, LLC in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$32,736
IMPR.: \$77,664
TOTAL: \$110,400

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

Appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 136-year-old, two-story, single-family dwelling of frame and masonry construction with 2,641 square feet of living area. The property has a 2,976 square foot site located in Chicago, North Chicago Township, Cook County. The subject is classified as a class 2-06 property under the Cook County Real Property Assessment Classification Ordinance.

Appellant contends overvaluation as the basis of the appeal. In support of its overvaluation argument, the appellant submitted sales information on four comparable properties that sold between July 2017 and April 2020 for prices ranging between \$375.34 to \$436.51 per square foot of living area, including land. The comparable sales properties were single-family dwellings of masonry construction containing between 2,268 and 2,904 square feet of living area. Based on this evidence, appellant requested a reduction in the subject's assessment to \$108,930.

The board of review submitted its "Board of Review Notes on Appeal" depicting a total assessed valuation of \$110,400, with an improvement assessment of \$77,664. The subject's assessment reflects a market value of \$1,104,000, or \$418.02 per square foot of living area, including land, when applying the level of assessment for class 2 property of 10.00% under the Cook County Real Property Assessment Classification Ordinance.

In support of its contention of the correct assessment, the board of review submitted three comparable properties. Each of the comparable properties were improved with a 2-story dwelling of frame and masonry construction that ranged in living area square feet from 2,278 to 2,388. They ranged in assessment from \$21.29 to \$37.11 per square foot of living area. The board of review did not provide sales information for any comparables.

Conclusion of Law

Appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds the best evidence of market value to be appellant's comparables #1, #2, #3, and #4. The board of review did not provide any sales comparables. These properties were most similar to the subject property in living area square footage. They sold for prices ranging between \$375.34 to \$436.51 per square foot of living area, including land. The board of review did not provide any sales comparables. The subject's current assessment of \$418.02 per square foot of living area, including land, reflects a market value within the market value range established by the best comparables in this record. Based on this record, the Board finds appellant has not proven, by a preponderance of the evidence, that the subject is overvalued, and that a reduction in the subject's assessment is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
