

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Barrett Homes LLC
DOCKET NO.: 20-40029.001-R-1
PARCEL NO.: 14-19-435-041-0000

The parties of record before the Property Tax Appeal Board are Barrett Homes LLC, the appellant(s), by attorney George Michael Keane, Jr., of Keane and Keane in Hinsdale; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$35,000
IMPR.: \$33,176
TOTAL: \$68,176

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a three story, mixed-use building of masonry construction containing 5,501 square foot of living area that was demolished in July 2020. The property has a 6,250 square foot site and is located in Lake View Township, Cook County.

The appellant contends that the subject's market value is not accurately reflected in the assessed value as the basis of the appeal. The subject was purchased on February 7, 2020 for \$1,150,000 and immediately demolished following issuance of the demolition permit dated June 17, 2020. The appellant argues that the subject's improvement was demolished and removed for 50% of 2020. In support, the appellant submitted copy of the warranty deed, Chicago Title master statement, City of Chicago building permit dated May 28, 2020, demolition permit dated June 17, 2020, and black and white photos time stamped July 15, 2020. Based on the evidence, the

appellant requested the subject's assessment be reduced to \$65,852 to reflect the demolition of the subject in 2020.

The board of review submitted its "Board of Review Notes on Appeal" wherein the subject's total assessment of \$96,703 was disclosed. This assessment reflects a market value of \$967,030 when using the 10% level of assessment for class 2 properties as determined by the Cook County Real Property Classification Ordinance. In support of the subject's assessment, the board of review submitted four sale comparables, deed trail, and building permit printouts. In addition, the board of review confirms that the subject was purchased one month prior to the subsequent to the lien date and that the subject was demolished but contends that the appellant's appeal disregards the subject's land value and the under-construction improvement. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

When overvaluation is claimed, the appellant has the burden of proving the value of the property by a preponderance of the evidence. National City Bank of Michigan/Illinois v. Illinois Property Tax Appeal Board, 331 Ill.App.3d 1038 (3d Dist. 2002); Winnbago County Board of Review v. Property Tax Appeal Board, 313 Ill.App.3d (2d Dist. 2000). Proof of market value may consist of an appraisal, a recent arm's length sale of the subject property, recent sales of comparable properties, or recent construction costs of the subject property. 86 Ill. Admin. Code 1910.65(c). Having considered the evidence presented, the Board concludes that the evidence indicates a reduction in the subject's assessment is warranted.

The Board finds that the best evidence of the subject's market value is the sale of the subject in February 2020 for \$1,150,000. Since market value has been determined, the 10% level of assessment for class 2 properties as determined by the Cook County Real Property Classification Ordinance shall apply. In applying this level of assessment to the subject, the total assessed value is \$115,000.

When the demolition of a property is at issue, Section 9-180 of the Property Tax Code is applicable, which states, in relevant part:

When, during the previous calendar year, any buildings, structures or other improvements on the property were destroyed and rendered uninhabitable or otherwise unfit for occupancy or for customary use by accidental means (excluding destruction resulting from the willful misconduct of the owner of such property), the owner of the property on January 1 shall be entitled, on a proportionate basis, to a diminution of assessed valuation for such period during which the improvements were uninhabitable or unfit for occupancy or for customary use to December 31 of the year.

Computations under this Section shall be on the basis of a year of 365 days.

35 ILCS 200/9-180. The Board finds that the improvement upon the subject was demolished as of July 15, 2020. This fact was evidenced by the appellant's photographs, brief and the demolition permit. Thus, the improvement was standing for 197 days, or 53.97% of the year. Therefore,

under Section 9-180 of the Property Tax Code, the subject's total improvement assessment based on the subject's market value of \$1,150,000 shall be diminished by 46.03% and a reduction is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
