

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: 9049 Bronx, LLC  
DOCKET NO.: 20-40231.001-R-1  
PARCEL NO.: 10-16-413-046-0000

The parties of record before the Property Tax Appeal Board are 9049 Bronx, LLC, the appellant(s), by attorney Spiro G. Zarkos, of Verros Berkshire, PC in Oakbrook Terrace; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$4,032  
**IMPR.:** \$34,197  
**TOTAL:** \$38,229

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160), challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a 70-year-old, two-story masonry construction. Features of the home include a full basement, heat, and air conditioning. The property has a 3,312-square-foot site and a 5,040 in living area. The property is located in Skokie, Niles Township, Cook County. The subject is classified as a class 2-11 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends that assessment inequity as the basis of the appeal. In support of the inequity argument, the appellant's petition lists four equity comparables. These properties are described as two-story dwellings with masonry construction. They range: in age from 64 to 70 years old, contain 3,338 to 3,540 square feet of living area, and have an improvement assessment from \$9.76 to \$9.99 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal," disclosing the subject's assessment of \$38,229 with an improvement assessment of \$34,197 or \$10.33 per square foot of living area.

In support of its contention of the correct assessment, the board of review submitted information on four equity comparables. These properties are described as two-story dwellings of masonry construction. They range: in age from 61 to 68 years old; contain from 3,136 to 3,596 square feet of living area; and have improvement assessments from \$10.35 to \$11.47 per square foot of living area.

### **Conclusion of Law**

When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e); Walsh, 181 Ill. 2d at 234 (1998). Clear and convincing evidence means more than a preponderance of the evidence, but it does not need to approach the degree of proof needed for a conviction of a crime. Bazyldo v. Volant, 164 Ill. 2d 207, 213 (1995). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question, of not less than three comparable properties showing the similarity, proximity, and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin. Code §1910.65(b). The Board finds the appellant did not meet this burden of proof, and a reduction in the subject's assessment is not warranted.

The Board finds the best evidence of assessment equity to be the appellant's comparables #1, #2, #3, and #4, and the board of review's comparables #1, #2, #3, and #4. These comparables ranged in improvement assessment from \$9.76 to \$11.47 per square foot of living area. The subject's improvement assessment of \$10.33 per square foot of living area falls within the range established by the best comparables in this record. These comparables were selected due to similarities in living area square footage, age, and/or location. The Board finds that the appellant did demonstrate by clear and convincing evidence that the subject was inequitably assessed and, therefore, a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
