

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Myron Seeder
DOCKET NO.: 20-41380.001-R-1
PARCEL NO.: 15-33-302-022-0000

The parties of record before the Property Tax Appeal Board are Myron Seeder, the appellant, by attorney Adam E. Bossov, of the Law Offices of Adam E. Bossov, P.C. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$5,985
IMPR.: \$35,772
TOTAL: \$41,757

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of frame exterior construction with 1,532 square feet of living area. The dwelling is approximately 106 years old. Features of the home include an unfinished basement, one fireplace and a 2-car garage. The property has an approximately 6,650 square foot site and is located in La Grange Park, Proviso Township, Cook County. The subject is classified as a class 2-05 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument the appellant submitted information on four equity comparables located in the same assessment neighborhood code as the subject property. The comparables are improved with class 2-05 dwellings of frame, masonry or stucco exterior construction ranging in size from 1,985 to 2,159 square feet of living area. The homes range in

age from 94 to 117 years old. Each comparable has a basement with three having finished area. One dwelling has central air conditioning, two homes each have one fireplace and each comparable has from a 1-car to a 2.5-car garage. The comparables have improvement assessments ranging from \$34,742 to \$38,337 or from \$17.50 to \$18.01 per square foot of living area. Based on this evidence, the appellant requested the subject's improvement assessment be reduced to \$27,224 or \$17.77 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$41,757. The subject property has an improvement assessment of \$35,772 or \$23.35 per square foot of living area. In support of its contention of the correct assessment the board of review submitted information on four equity comparables located in the same assessment neighborhood code as the subject property. Board of review comparable #4 is the same property as the appellant's comparable #2. The comparables are improved with two-story class 2-05 dwellings of frame or stucco exterior construction ranging in size from 1,960 to 2,159 square feet of living area. The homes range in age from 80 to 110 years old. Each comparable has a basement with two having finished area. Three dwellings have central air conditioning, two homes each have one fireplace and each comparable has a 2-car garage. The comparables have improvement assessments ranging from \$36,559 to \$39,214 or from \$17.76 to \$19.41 per square foot of living area. Based on this evidence, the board of review requested the subject's assessment be confirmed.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains seven equity comparables for the Board's consideration, as one property was common to both parties. The Board finds both parties comparables present varying degrees of similarity to the subject in age, dwelling size and other features. Nevertheless, the comparables have improvement assessments ranging from \$34,742 to \$39,214 or from \$17.50 to \$19.41 per square foot of living area. The subject's improvement assessment of \$35,772 or \$23.35 per square foot of living area falls within the range established by the comparables in this record on an improvement assessment basis and above the range on a per square foot basis. Accepted real estate theory provides that, all things being equal, as the size of a property increases, the per unit value decreases. In contrast, as the size of a property decreases, the per unit value increases. Given the subject's substantially smaller dwelling size, relative to the comparables in this record, a higher per square foot improvement assessment appears logical. After considering appropriate adjustments to the comparables for differences from the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
