

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Invals Property Management LLC
DOCKET NO.: 20-43684.001-R-1
PARCEL NO.: 29-03-111-016-0000

The parties of record before the Property Tax Appeal Board are Invals Property Management LLC, the appellant, by attorney Eric Feldman of Eric Feldman & Assoc. P.C. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **a reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$2,025
IMPR.: \$4,200
TOTAL: \$6,225

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of frame exterior construction with 1,909 square feet of living area. The dwelling is approximately 117 years old. Features of the home include a full unfinished basement, a full unfinished attic, one full bath and a 2-car garage. The property has an approximately 5,400 square foot site and is located in Dolton, Thornton Township, Cook County. The subject is classified as a class 2-05 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument the appellant submitted information on five equity comparables that have the same assessment neighborhood code as the subject. The comparables are class 2-05 properties that are improved with two-story dwellings of frame exterior construction ranging in size from 1,798 to 2,070 square feet of living area. The dwellings are

110 to 129 years old. The comparables each have a full unfinished basement and three comparables each have a full or partial unfinished attic. Each comparable has one or two full baths, two comparables each have a half bath, one comparable has central air conditioning and each comparable has a 1-car to a 2.5-car garage. The comparables have improvement assessments that range from \$3,707 to \$4,844 or from \$1.89 to \$2.56 per square foot of living area. Based on this evidence, the appellant requested the subject's improvement assessment be reduced to \$4,200 or \$2.20 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$8,687. The subject property has an improvement assessment of \$6,662 or \$3.49 per square foot of living area.

In support of its contention of the correct assessment the board of review submitted information on three equity comparables that have the same assessment neighborhood code as the subject. The comparables are class 2-05 properties that are improved with two-story dwellings of frame or masonry exterior construction ranging in size from 1,380 to 1,556 square feet of living area. The dwellings are 64 to 132 years old. The comparables each have a full basement, two of which have finished area. Each comparable has one full bath, two comparables each have a half bath and two comparables have either a 1.5-car or a 2-car garage. The comparables have improvement assessments that range from \$8,630 to \$10,880 or from \$5.78 to \$7.58 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The parties submitted a total of eight comparable properties for the Board's consideration. The Board has given less weight to the appellant's comparable #4 as it has central air conditioning, not a feature of the subject. The Board has given reduced weight to the board of review comparables which differ from the subject in dwelling size, age and/or basement finish. Additionally, board of review comparable #1 lacks a garage, a feature of the subject.

The Board finds the best evidence of assessment equity to be the appellant's comparables #1, #2, #3 and #5, which are similar to the subject in location, dwelling size, design, age and some features. The comparables have improvement assessments ranging from \$3,707 to \$4,326 or from \$1.89 to \$2.32 per square foot of living area. The subject's improvement assessment of \$6,662 or \$3.49 per square foot of living area falls above the range established by the best comparables in the record. After considering adjustments to the best comparables for differences when compared to the subject, the Board finds the subject's assessment is excessive. Therefore,

based on this record the Board finds a reduction in the subject's assessment commensurate with the appellant's request is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
