

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Miro Ziaja
DOCKET NO.: 20-44503.001-R-1
PARCEL NO.: 26-06-305-014-0000

The parties of record before the Property Tax Appeal Board are Miro Ziaja, the appellant(s), by attorney George N. Reveliotis, of Reveliotis Law, P.C. in Park Ridge; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$3,753
IMPR.: \$3,757
TOTAL: \$7,510

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a one-story dwelling of masonry construction with 1,272 square feet of living area. The dwelling is 55 years old. Features of the home include a full basement, central air conditioning, and a two-car garage. The property has a 4,170 square foot site located in Hyde Park Township, Cook County. The subject is classified as a class 2-03 property under the Cook County Real Property Assessment Classification Ordinance.

Appellant's appeal is based on overvaluation. In support of this argument, appellant submitted evidence disclosing the subject property was purchased on June 4, 2019, for a price of \$75,100. In Section IV of its appeal form, appellant indicated the subject property was sold using a realtor and was advertised for sale on the multiple listing service for a period of 93 days. Appellant submitted copies of the MLS listing, special warranty deed, and real estate sale contract. Based

on this evidence, appellant requested a reduction in the subject's assessment to \$7,510, to reflect the purchase price.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$11,679. The subject's assessment reflects a market value of \$116,790, land included, when using the level of assessment for class 2 property of 10% under the Cook County Real Property Assessment Classification Ordinance. In support of its contention of the correct assessment the board of review submitted information on four comparable sales.

Conclusion of Law

Appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted. The Board finds the best evidence of market value to be the purchase of the subject property in June 2019 for a price of \$75,100. Appellant provided evidence demonstrating the sale had the elements of an arm's length transaction. The appellant completed Section IV - Recent Sale Data of the appeal disclosing the parties to the transaction were not related, the property was sold using a Realtor, and the property had been advertised on the open market with the Multiple Listing Service. In further support of the transaction the appellant submitted copies of the MLS listing, warranty deed, and real estate sale contract.

The Board finds the purchase price is below the market value reflected by the assessment. Based on this record the Board finds the subject property had a market value of \$75,100 as of January 1, 2020. Since market value has been determined the level of assessment for class 2 property under the Cook County Real Property Assessment Classification Ordinance of 10% shall apply. 86 Ill.Admin.Code §1910.50(c)(2). A reduction in the subject's assessment subject's assessment is appropriate.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
