

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Carlos Salinas
DOCKET NO.: 20-44656.001-C-1
PARCEL NO.: 13-13-329-031-0000

The parties of record before the Property Tax Appeal Board are Carlos Salinas, the appellant(s), by attorney George N. Reveliotis, of Reveliotis Law, P.C. in Park Ridge; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$6,985
IMPR.: \$18,015
TOTAL: \$25,000

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story, 99-year-old, mixed-use dwelling of masonry construction with 3,960 square feet of building area. The property has a 3,175 square foot site and is located in Chicago, Jefferson Township, Cook County. The property is a class 2-12 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted an appraisal estimating the subject property had a market value of \$250,000 as of January 1, 2020. The appraiser inspected the property and utilized both the Income Capitalization Approach and Sales Comparison Approach in determining market value. The appellant also submitted a copy of the board of review's written decision indicating its valuation assessment for the subject property of \$35,185. Based on the evidence submitted, the appellant requests the subject property's total assessment be reduced to \$25,000.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$35,185. The subject's assessment reflects a market value of \$351,850, or \$88.85 per square foot of building area, including land, when applying the level of assessments for class 2 property under the Cook County Real Property Assessment Classification Ordinance.

In support of its contention of the correct assessment the board of review submitted four sales comparable properties. The comparables were each improved with either a two-story or a three-story, mixed-use dwelling of either frame or masonry construction that ranged from 2,400 to 4,200 square feet of building area. They sold between June of 2018 and September of 2019 for prices ranging from \$133.45 to \$374.09 per square foot of building area, including land.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant *met* this burden of proof and a reduction in the subject's assessment *is* warranted.

The Board finds the best evidence of market value to be *the appraisal submitted by the appellant*. The appellant's appraisal indicates the subject property had a market value of \$250,000 as of January 1, 2020. The appraiser inspected the property and utilized both the Income Approach and Sales Comparison Approach in determining market value. The subject's assessment reflects a market value above the best evidence of market value in the record. The Board finds the subject property had a market value of \$250,000 as of the assessment date at issue. Since market value has been established the level of assessment for class 2 property under the Cook County Real Property Assessment Classification Ordinance shall apply. (86 Ill.Admin.Code §1910.50(c)(2)).

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
