

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Joseph Vitu Sr
DOCKET NO.: 20-45833.001-R-1
PARCEL NO.: 04-17-305-008-0000

The parties of record before the Property Tax Appeal Board are Joseph Vitu Sr, the appellant(s), by attorney Nicholas T. McIntyre, of Much Shelist, P.C. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$14,714
IMPR.: \$31,786
TOTAL: \$46,500

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

Appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 47-year-old, two-story, single-family dwelling of frame and masonry construction with 2,789 square feet of living area. The property has a 12,262 square foot site and is located in Northbrook, Northfield Township, Cook County. The property is a class 2-78 property under the Cook County Real Property Assessment Classification Ordinance.

Appellant contends overvaluation as the basis of the appeal. In support of this argument, appellant submitted an appraisal estimating the subject property had a market value of \$465,000 as of January 1, 2019. The appraiser utilized the sales comparison approach based on three sales comparables that sold between July 2017 and November 2018 for prices ranging from \$145.00 to \$174.09 per square foot of living area. After applying adjustments, the appraiser determined the subject property's market value to be \$465,000. Based on this evidence, appellant requests the subject property's total assessment be reduced to \$46,500.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$48,182. The subject's assessment reflects a market value of \$481,820 or \$172.76 per square foot of living area, including land, when applying the level of assessments for class 2 property under the Cook County Real Property Assessment Classification Ordinance of 10%.

In support of its contention of the correct assessment the board of review submitted four comparable sales properties. The comparable properties were each improved with a two-story, frame and masonry, single-family dwelling, that ranged in living square foot area between 2,408 and 3,073. They sold between January 2018 and November 2019 for prices ranging from \$211.52 to \$264.74 per square foot of living area, including land.

This matter was set for hearing on September 26, 2003. Prior to hearing, the parties requested this matter be written on the evidence submitted and the hearing was canceled.

Conclusion of Law

Appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds appellant *did meet* this burden of proof and a reduction in the subject's assessment *is* warranted.

The Board finds the best evidence of market value to be *the appraisal submitted by appellant*. The appraiser utilized the sales comparison approach based on three sales comparables that sold between July 2017 and November 2018 for prices ranging from \$145.00 to \$174.09 per square foot of living area and determined the market value of the subject property after making appropriate adjustments. The Board finds the subject property had a market value of \$465,000 as of the assessment date at issue. Since market value has been established the level of assessment for class 2 property under the Cook County Real Property Assessment Classification Ordinance of 10% as determined by the Illinois Department of Revenue shall apply. (86 Ill.Admin.Code §1910.50(c)(2)).

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
