

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Alexander Siedlecki
DOCKET NO.: 20-46468.001-R-1 through 20-46468.002-R-1
PARCEL NO.: See Below

The parties of record before the Property Tax Appeal Board are Alexander Siedlecki, the appellant(s), by attorney Patrick C. Turner, of Maurides Foley Tabangay & Turner LLC in Elmhurst; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

DOCKET NO	PARCEL NUMBER	LAND	IMPRVMT	TOTAL
20-46468.001-R-1	17-04-209-005-0000	24,535	76,840	\$101,375
20-46468.002-R-1	17-04-209-037-0000	8,172	0	\$8,172

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

Appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property contains two PINs. PIN # 17-04-209-005-0000 consists of a 130-year-old, two-story, single-family dwelling of masonry construction with 1,924 square feet of living area. PIN # 17-04-209-037-0000 is vacant land. The property has a 1,402 square foot site located in Chicago, North Chicago Township, Cook County. The subject is classified as a class 2-10 property under the Cook County Real Property Assessment Classification Ordinance.

Appellant contends assessment inequity as the basis of the appeal. In support of this argument, appellant submitted information on four suggested equity comparables. Each of the comparable properties were improved with a two-story residence of masonry construction. The comparable properties ranged in living square footage between 1,936 and 1,990 and in assessment between \$32.24 and \$34.14 per square foot of living area. Appellant also submitted a copy of the board of review's written decision reflecting a final assessment for the subject property of \$118,410

(for PIN # 17-04-209-005-0000) and \$8,172 (for PIN # 17-04-209-037-0000). Based on this evidence, appellant requested a reduction in the subject's assessment for PIN # 17-04-209-005-0000 to \$86,565 for total assessment for both PINs of \$94,737.

The appellant submitted an appeal in the prior year for this property under Docket Number 2019-52179.001-R-1. In that appeal, the Property Tax Appeal Board issued a decision lowering the total assessment of the subject property to \$109,547 based on equity.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject for PIN # 17-04-209-005-0000 of \$118,410. The subject property has an improvement assessment of \$93,875, or \$48.79 per square foot of living area. In support of its contention of the correct assessment, the board of review submitted information on three suggested equity comparables. Each were improved with either a two-story or three-story residence of masonry construction. They ranged in living area square footage between 1,924 and 2,952 and in assessment between \$50.30 and \$51.74 per square foot of living area.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. However, in this case the Board finds that the assessment as established by the Board for tax year 2019 should be carried forward to the instant tax year as provided by section 16-185 of the Property Tax Code.

Section 16-185 of the Property Tax Code provides, in relevant part:

If the Property Tax Appeal Board renders a decision lowering the assessment of a particular parcel on which a residence occupied by the owner is situated, such reduced assessment, subject to equalization, shall remain in effect for the remainder of the general assessment period as provided in Sections 9-215 through 9-225, unless that parcel is subsequently sold in an arm's-length transaction establishing a fair cash value for the parcel that is different from the fair cash value on which the Board's assessment is based, or unless the decision of the Property Tax Appeal Board is reversed or modified upon review.

35 ILCS 200/16-185. The Board takes official notice that it issued a decision lowering the subject's assessment for tax year 2019 (86 Ill.Admin.Code §1910.90(i)), and that tax year 2019 and the instant tax year of 2020 are in the same general assessment period for North Chicago, Cook County, Ill., Code of Ordinances §§ 74-31 and 74-32(1). The Board further finds that the subject is owner-occupied based on the appellant's statement in Section II of the appeal form, which states that the subject is owner-occupied. The record contains no evidence indicating that the subject sold in an arm's-length transaction, or that the Board's 2019 decision was reversed or modified upon review. For these reasons, the Board finds that the appellant has proven, by a preponderance of the evidence, that the subject's assessment should be carried forward, pursuant to section 16-185 of the Property Tax Code, to reflect the Board's 2019 decision plus the application of an equalization factor, if any.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
