

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Anthony Michael  
DOCKET NO.: 20-46591.001-R-1  
PARCEL NO.: 17-10-200-068-1234

The parties of record before the Property Tax Appeal Board are Anthony Michael, the appellant(s), by attorney Jessica Hill-Magiera, Attorney at Law in Lake Zurich; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$1,269  
**IMPR.:** \$53,231  
**TOTAL:** \$54,500

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a condominium unit within a 33-year-old, multi-story, 289-unit, condominium building located in Chicago, North Township, Cook County and is classified as a class 2-99 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of the market value argument, appellant submitted copies of the multiple listing service (MLS) advertisement, the closing disclosure, and the transfer declaration which disclosed the purchase of the subject September 27, 2019 for \$545,000. The transfer declaration disclosed that the property was advertised for sale. The petition discloses that the transfer was not between related parties and that the property was advertised for sale. However, the appellant did not complete this section of the petition and disclose if the property was sold due to a foreclosure or for a contract for deed. The petition discloses that the subject is an owner-occupied residence.

The board of review submitted its "Board of Review Notes on Appeal." The subject's total assessment is \$65,114 which reflects a market value of \$651,140 using the level of assessment for class 2 property of 10% under the Cook County Real Property Assessment Classification Ordinance.

In support of its contention of the correct assessment the board of review submitted the sales of 52 units located within the subject building that sold from 2016 to 2019 for a total value of \$42,731,542. This value was divided by the percentage of ownership of the units sold of 17.6032% to arrive at a value for the building of \$242,748,716.00. This value was multiplied by the percentage of ownership of the subject units of .2937 % to arrive at an estimate of value for the subject of \$712,953. This market value reflects an assessed value of \$71,295. The board of review's evidence lists the sale of the subject in October 2019 for \$545,000.

In rebuttal, the appellant asserted that the best evidence of market value is the sale of the subject in September 2019.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c).

The Board finds the best evidence of market value to be the purchase of the subject property in September 2019 for a price of \$545,000. The appellant submitted evidence of the sale of the subject and the board of review did not show the sale was not at arm's-length. In addition, the transfer declaration disclosed the subject was listed on the open market. Based on this record the Board finds the subject property had a market value of \$545,000 as of the lien date. Since market value has been determined, the level of assessment of 10% for Class 2 property under the Cook County Real Property Assessment Classification Ordinance shall apply and a reduction in the subject's assessment is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
