

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Alexander Fisher  
DOCKET NO.: 20-46647.001-R-1  
PARCEL NO.: 14-33-310-017-0000

The parties of record before the Property Tax Appeal Board are Alexander Fisher, the appellant(s), by attorney Eric Feldman, of Eric Feldman & Assoc. P.C. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **An Increase** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$32,472  
**IMPR.:** \$233,562  
**TOTAL:** \$266,034

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a 7-year-old, owner-occupied, three-story, single-family dwelling of masonry construction with 4,648 square feet of living area. Features of the home include a full finished basement with a formal recreational room, central air conditioning, three fireplaces, and a two-car garage. The property has a 2,952 square foot site located in Chicago, North Chicago Township, Cook County. The subject is classified as a class 2-08 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity as the basis of the appeal. In support of this argument the appellant submitted information on five class 2-08 equity comparable properties with varying degrees of similarity to the subject. Based on this evidence, the appellant requested a reduction in the subject's assessment to \$217,184.

Furthermore, the subject property was the subject matter of an appeal before the Property Tax Appeal Board under Docket Number 2018-46184.001-R-1. In that appeal the Property Tax Appeal Board issued a decision lowering the total assessment of the subject property to \$266,034 on an agreed assessment amount reached by the parties and on the evidence submitted by the parties. The tax years 2018 and 2020 are within the same general assessment period for North Chicago Township and the appellant disclosed in section 1b of the submitted residential appeal form that the subject property is an owner-occupied residence.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$252,973 and an improvement assessment of \$220,501 or \$47.44 per square feet of living area using the Cook County Real Estate Classification Ordinance level of assessment for class 2 property of 10%.

In support of the assessment the board of review submitted four equity comparable properties with varying degrees of similarities to the subject.

### **Conclusion of Law**

The Property Tax Appeal Board finds that the assessment as established by the Board for the 2018 tax year should be carried forward to the tax year at issue subject only to equalization as provided by section 16-185 of the Property Tax Code.

Section 16-185 of the Property Tax Code provides, in relevant part:

If the Property Tax Appeal Board renders a decision lowering the assessment of a particular parcel on which a residence occupied by the owner is situated, such reduced assessment, subject to equalization, **shall** remain in effect for the remainder of the general assessment period as provided in Sections 9-215 through 9-225, unless that parcel is subsequently sold in an arm's length transaction establishing a fair cash value for the parcel that is different from the fair cash value on which the Board's assessment is based, or unless the decision of the Property Tax Appeal Board is reversed or modified upon review.

35 ILCS 200/16-185. Additionally, "Standard of proof. Unless otherwise provided by law or stated in the agency's rules, the standard of proof in any contested case hearing conducted under this Act by an agency shall be the preponderance of the evidence." 5 ILCS 100/10-15. The Board takes official notice that it rendered a decision lowering the subject's assessment for tax year 2018 (86 Ill.Admin.Code §1910.90(i)), and that tax year 2018 and the instant tax year of 2020 are in the same general assessment period for North Chicago Township. The Board further finds that the subject is owner-occupied based on the appellant's response to Section 1b of the residential appeal form, which states that the subject is owner-occupied. The record contains no evidence indicating that the subject sold in an arm's-length transaction after the Board's decision for the 2018 tax year, or that the Board's decision for the 2018 tax year was reversed or modified upon review. For these reasons, the Board finds by a preponderance of the evidence, that the subject's assessment should be carried forward to the 2020 tax year, pursuant to section 16-185

of the Property Tax Code, to reflect the Board's decision for the 2018 tax year, plus the application of an equalization factor, if any<sup>1</sup>.

---

<sup>1</sup> The final CCBOR total assessment amount for the 2020 lien year for this subject was less than the amount of the Property Tax Appeal Board decision lowering the assessment for the 2018 tax year. The Board's decision on this appeal based on the Rollover statute (35 ILCS 200/16-185) and Standing Order No.3 of the State of Illinois Property Tax Appeal Board entered on October 2, 2023, has resulted in **An Increase** in the subject's total assessment for this appeal.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
