

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Homero Pina
DOCKET NO.: 20-47047.001-R-1
PARCEL NO.: 19-23-312-019-0000

The parties of record before the Property Tax Appeal Board are Homero Pina, the appellant(s), by attorney Andrew S. Dziuk, of Andrew Dziuk, Esq. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$4,125
IMPR.: \$10,998
TOTAL: \$15,123

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Property Tax Appeal Board pursuant to section 16-185 of the Property Tax Code (35 ILCS 200/16-185) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 63-year-old, one-story, single-family dwelling of masonry construction with 1,170 square feet of living area. Features of the home include: an unfinished full basement and one full bathroom. The property has a 4,125 square foot site and is located in Chicago, Lake Township, Cook County. The subject is classified as a class 2-03 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity as the basis of the appeal. In support of this argument, the appellant submitted information on four suggested equity comparables. They were improved with a one-story or 1.5-story, single-family dwelling of masonry construction. The improvements ranged: in age from 66 to 92 years; in size from 1,266 to 1,398 square feet; and in improvement assessment from \$7.51 to \$7.94 per square foot of living area. Three of the comparable properties had an unfinished full basement and one of the comparable properties had

a full basement with a formal recreation room. Additionally, two of the comparable properties had air conditioning and each had a two-car garage.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$15,837. The subject property has an improvement assessment of \$11,712 or \$10.01 per square foot of living area. In support of its contention of the correct assessment, the board of review submitted information on four suggested equity comparables. They are improved with a one-story, single-family dwelling of masonry construction. The comparable properties were located within a quarter of a mile of the subject property with three being within a block of the subject property. The improvements ranged: in age from 63 to 64 years old; in size from 1,038 to 1,170 square feet of living area; and in assessment from \$10.39 to \$10.99 per square foot. Three of the comparable properties had an unfinished full basement and one comparable property had a partial basement with a formal recreation room. Additionally, one of the comparable properties had air conditioning and each of the comparable properties had a garage of varying size.

Conclusion of Law

Section 16-185 of the Property Tax Code provides, in relevant part:

If the Property Tax Appeal Board renders a decision lowering the assessment of a particular parcel on which a residence occupied by the owner is situated, such reduced assessment, subject to equalization, shall remain in effect for the remainder of the general assessment period as provided in Sections 9-215 through 9-225, unless that parcel is subsequently sold in an arm's length transaction establishing a fair cash value for the parcel that is different from the fair cash value on which the Board's assessment is based, or unless the decision of the Property Tax Appeal Board is reversed or modified upon review.

35 ILCS 200/16-185. Additionally, section 10-15 of the Illinois Administrative Procedure Act states: "Standard of proof. Unless otherwise provided by law or stated in the agency's rules, the standard of proof in any contested case hearing conducted under this Act by an agency shall be the preponderance of the evidence." 5 ILCS 100/10-15. The Board takes official notice that it rendered a decision lowering the subject's assessment for tax year 2019 (86 Ill.Admin.Code §1910.90(i)), and that tax year 2019 and the instant tax year of 2020 are in the same general assessment period for Lake Township. The Board further finds that the subject is owner-occupied based on the appellant's statement in Section II of the appeal form, which states that the subject is owner-occupied. The record contains no evidence indicating that the subject sold in an arm's-length transaction subsequent to the Board's decision for the 2019 tax year, or that the Board's decision for the 2019 tax year was reversed or modified upon review. For these reasons, the Board finds that the appellant has proven, by a preponderance of the evidence, that the subject's assessment should be carried forward to the 2020 tax year, pursuant to section 16-185 of the Property Tax Code, to reflect the Board's decision for the 2019 tax year, plus the application of an equalization factor, if any.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
