

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Tushar & Kerul Mehta
DOCKET NO.: 20-47334.001-R-1 through 20-47334.002-R-1
PARCEL NO.: See Below

The parties of record before the Property Tax Appeal Board are Tushar & Kerul Mehta, the appellant(s), by attorney Joanne Elliott, of Elliott & Associates, P.C. in Des Plaines; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

DOCKET NO	PARCEL NUMBER	LAND	IMPRVMT	TOTAL
19-50819.001-R-1	17-03-200-063-1222	1,463	19,442	\$20,905

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

Appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of two condominium units, with a combined 1.037% ownership interest in the common elements, located in a 245-unit condominium building in North Chicago Township, Cook County. The subject property is classified as a class 2-99 property under the Cook County Real Property Assessment Classification Ordinance.

Appellant's appeal is based on overvaluation and contention of law. In support of these arguments, appellant submitted evidence disclosing the subject property was purchased on May 24, 2019, for a price of \$500,000. Appellant submitted a Brief in Support indicating the subject was listed for sale on the MLS for 41 days and a broker's commission in the amount of \$20,000 was paid at closing. In Section IV of the appeal form, appellant indicates the subject property sold by realtor, was advertised for sale with the Multiple Listing Service for 41 days, and the parties to the transaction were not family members or related corporations. Appellant submitted

copies of an Agency/Escrow-Disbursement Agreement, Disclosure Statement Controlled Business Agreement, the Closing Statement, and MLS listing print-out. Appellant also requests a 9.28% median level of assessment based on the Illinois Department of Revenue's determination. Appellant included a copy of a report titled, "2020 Cook County Tentative Multiplier Announced," from the Illinois Department of Revenue. Appellant also submitted a copy of the board of review's decision reflecting the subject property with PIN ending in -1222 was assessed at \$22,462 and PIN ending in -1223 was assessed at \$33,938. Based on this evidence, appellant requested a total assessment reduction for the subject property to \$41,650.

The appellant submitted an appeal in the prior year for this property under Docket Number 2019-50819.001-R-1. In that appeal, the Property Tax Appeal Board issued a decision lowering the assessment of the subject property to \$50,000 based on the same sale of the subject property as in the instant appeal.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject property for of \$56,400, which reflects a total market value for all of \$564,000 when using the level of assessment for class 2 property of 10% under the Cook County Real Property Assessment Classification Ordinance. In its Condominium Analysis Results for 2020, the board of review listed assessment values for each PIN located in the building, including the two PINs of the subject property. In support of its contention of the correct assessment, the board of review submitted its Assessment Analysis based on sales information on fifty-one condominium units located within the same building as the subject property. Based on a total percentage of interest of units sold of 20.5740%, the board of review calculated a full market value for the condominium building of \$58,585,102, which would result in a market value for the subject property of \$607,527.

Conclusion of Law

Appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. However, in this case the Board finds that the assessment as established by the Board for tax year 2019 should be carried forward to the instant tax year as provided by section 16-185 of the Property Tax Code.

Section 16-185 of the Property Tax Code provides, in relevant part:

If the Property Tax Appeal Board renders a decision lowering the assessment of a particular parcel on which a residence occupied by the owner is situated, such reduced assessment, subject to equalization, shall remain in effect for the remainder of the general assessment period as provided in Sections 9-215 through 9-225, unless that parcel is subsequently sold in an arm's-length transaction establishing a fair cash value for the parcel that is different from the fair cash value on which the Board's assessment is based, or unless the decision of the Property Tax Appeal Board is reversed or modified upon review.

35 ILCS 200/16-185. The Board takes official notice that it issued a decision lowering the subject's assessment for tax year 2019 (86 Ill.Admin.Code §1910.90(i)), and that tax year 2019 and the instant tax year of 2020 are in the same general assessment period for North Chicago.

Cook County, Ill., Code of Ordinances §§ 74-31 and 74-32(1). The Board further finds that the subject is owner-occupied based on the appellant's statement in Section II of the appeal form, which states that the subject is owner-occupied. The record contains no evidence indicating that the subject sold in an arm's-length transaction, or that the Board's 2019 decision was reversed or modified upon review. For these reasons, the Board finds that the appellant has proven, by a preponderance of the evidence, that the subject's assessment should be carried forward, pursuant to section 16-185 of the Property Tax Code, to reflect the Board's 2019 decision plus the application of an equalization factor, if any.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
