

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Antonio Davis
DOCKET NO.: 20-48539.001-R-1
PARCEL NO.: 28-12-439-004-0000

The parties of record before the Property Tax Appeal Board are Antonio Davis, the appellant(s); and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$1,950
IMPR.: \$15,850
TOTAL: \$17,800

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 6,500 square foot parcel of land improved with a 29-year-old, two-story, frame and masonry, single-family dwelling containing approximately 2,612 square feet of building area. The property is located in Posen, Bremen Township, Cook County and is classified as a class 2 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of the market value argument, the appellant submitted a copy of the closing disclosure disclosing the purchase of the subject on October 25, 2019 for \$160,000. The appellant also included the 2019 Board decision reducing the assessment based on this sale.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the subject's total assessment of \$20,660 which reflects a market value of \$206,600 using the Cook County

Real Property Assessment Classification Ordinance level of assessment for class 2 property of 10%.

In support of the current assessment, the board of review submitted four comparables with sales information on one. In addition, the board of review also lists the sale of the subject in November 2019 for \$160,000.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c).

The Board finds the best evidence of market value to be the purchase of the subject property in June 2019 for a price of \$160,000. The appellant argued the of the sale of the subject supports a reduction and included evidence of the sale. The board of review did not submit sufficient evidence to challenge the arm's-length nature of the transaction and listed a sale for this value. Therefore, the Board finds that this reduction to the assessment requested by the appellant is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
