

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Dora M. Cornelio 1904 North Avenue, LLC c/o
DOCKET NO.: 20-48753.001-R-1
PARCEL NO.: 13-26-215-022-0000

The parties of record before the Property Tax Appeal Board are Dora M. Cornelio 1904 North Avenue, LLC c/o, the appellant(s), by attorney Dora Cornelio, of Schmidt Salzman & Moran, Ltd. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$5,000
IMPR.: \$24,677
TOTAL: \$29,677

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-185 of the Property Tax Code (35 ILCS 200/16-185) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 3,125 square foot parcel of land improved with a 111-year-old, two-story, frame and masonry, multi-family dwelling containing approximately 2,004 square feet of building area. The property is located in Chicago, Jefferson Township, Cook County and is classified as a class 2 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends inequity and a contention of law as the bases of the appeal. In support of this argument, the appellant submitted five equity comparables. These comparables are described as two-story, frame or masonry, multi-family dwellings. They range in age from 113 to 120 years; in size from 2,156 to 2,432; and in improvement assessment from \$9.64 to \$10.59 per square foot of building area. The appellant requests that the assessment values from the 2018 Property Tax Appeal Board decision be carried forward to the 2020 assessment year.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the subject's total assessment of \$29,677 with an improvement assessment of \$24,677 or \$12.31 per square foot of building area.

In support of the current assessment, the board of review submitted four sales comparables and three equity comparables. These comparables are described as one and one-half or two-story, frame, multi-family dwellings. They range: in age from 105 to 110 years; in size from 1,802 to 2,130 square feet of building area; and in improvement assessment from \$12.50 to \$13.91 per square foot of building area.

Conclusion of Law

The appellant made a contention of law argument based on a previous decision. Section 16-185 of the Property Tax Code (35 ILCS 200/16-185) states in part:

If the Property Tax Appeal Board renders a decision lowering the assessment of a particular parcel on which a residence occupied by the owner is situated, such reduced assessment, subject to equalization, shall remain in effect for the remainder of the general assessment period as provided in Sections 9-215 through 9-225, unless that parcel is subsequently sold in an arm's length transaction establishing a fair cash value for the parcel that is different from the fair cash value on which the Board's assessment is based, or unless the decision of the Property Tax Appeal Board is reversed or modified upon review.

The Board finds the appellant did not meet the qualifications for the previous year's decision to be carried forward to this lien year because the appellant is a corporation that cannot reside in a residence. Moreover, the petition discloses that the subject is not an owner-occupied residence.

The taxpayer also contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b).

The Board finds the best evidence of assessment equity to be the appellant's comparables #1 and #4 and the board of review's comparables #2 and #3. These comparables had improvement assessments ranging from \$9.64 to \$13.91 per square foot of building area. The remaining comparables were given less weight due to differences in size. In comparison the subject's improvement assessment of \$12.31 per square foot of building area is within the range of the best comparables in this record. Based on this record the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's improvements is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
