

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Mary Ann Francisco M H Enterprises
DOCKET NO.: 20-50047.001-R-1
PARCEL NO.: 29-07-132-057-0000

The parties of record before the Property Tax Appeal Board are Mary Ann Francisco M H Enterprises, the appellant(s), by attorney Jessica Hill-Magiera, Attorney at Law in Lake Zurich; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$1,575
IMPR.: \$2,979
TOTAL: \$4,554

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-185 of the Property Tax Code (35 ILCS 200/16-185) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 52-year-old, multi-level dwelling with 936 square feet of living area of frame and masonry construction. The property has a 6,300 square foot site and is located in Thornton Township, Cook County. The subject is classified as a class 2 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant filed a direct appeal under the Property Tax Code. The appellant submitted evidence disclosing the prior year Board's decision under docket number 19-55999.001-R-1. In that appeal, the Property Tax Appeal Board rendered a decision lowering the assessment of the subject property to \$2,434 based on the evidence submitted into evidence. The appellant's appeal is based on overvaluation. In support of this argument, the appellant submitted four suggested sales comparables.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$4,554. The subject's assessment reflects a market value of \$45,540 or \$48.65 per square foot of living area, including land, when applying the 2020 level of assessment for class 2 property under the Cook County Real Property Assessment Classification Ordinance of 10%.

In support of its contention of the correct assessment the board of review submitted information on three suggested equity comparables with sales data on each of those properties. In their "Notes on Appeal," the board of review argued that the appellant is not entitled to a rollover or a direct appeal under Section 1910.30(a) because 2020 is the first year of the new tri.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board gives no weight to the board of review's direct appeal argument. The Board finds this argument not well supported by a brief and unpersuasive on its face.

The Board finds the best evidence of market value to be appellant's comparable sales #1, #2, #3, and #4, and the board of review's comparable sales #1, #2, and #3. These comparables sold for prices ranging from \$17.44 to \$191.66 per square foot of living area, including land. The subject's assessment reflects a market value of \$48.65 per square foot of living area, including land, which is within the range established by the best comparable sales in this record. Based on this evidence the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
