

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Anita Yablong
DOCKET NO.: 21-00306.001-R-1
PARCEL NO.: 16-10-307-006

The parties of record before the Property Tax Appeal Board are Anita Yablong, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld & Associates, LLC in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$53,544
IMPR.: \$81,842
TOTAL: \$135,386

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 1-story dwelling of brick and wood siding exterior construction with 1,759 square feet of living area. The dwelling was constructed in 1954, is approximately 67 years old, and has a reported effective age of 1980.¹ Features of the home include a basement with finished area, central air conditioning, a fireplace and a 246 square foot garage. The property has a 13,740 square foot site and is located in Highland Park, Moraine Township, Lake County.

The appellant contends assessment inequity concerning the improvement assessment as the basis of the appeal. In support of this argument the appellant submitted information on four equity comparables located within the same assessment neighborhood code as the subject. The

¹ Additional details regarding the subject not reported by the appellant are found in the subject's property record card presented by the board of review and were not refuted by the appellant in written rebuttal.

comparables are improved with 1-story homes of brick exterior construction ranging in size from 1,791 to 1,912 square feet of living area. The dwellings are 64 or 65 years old. Each home has a basement with finished area, central air conditioning, and a garage ranging in size from 390 to 572 square feet of building area. The comparables have improvement assessments ranging from \$75,237 to \$81,705 or from \$41.21 to \$42.73 per square foot of living area. Based on this evidence the appellant requested a reduction in the subject's improvement assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$135,386. The subject property has an improvement assessment of \$81,842 or \$46.53 per square foot of living area. In support of its contention of the correct assessment the board of review submitted information on eight equity comparables located within the same assessment neighborhood code as the subject. The comparables are improved with 1-story homes of brick or brick and wood siding exterior construction ranging in size from 1,519 to 1,959 square feet of living area. The dwellings were built from 1954 to 1962 or have effective ages ranging from 1958 to 1978. Each home has a basement with finished area, central air conditioning, and a garage ranging in size from 368 to 594 square feet of building area. Six homes each have one or two fireplaces. The comparables have improvement assessments ranging from \$78,842 to \$90,363 or from \$45.11 to \$52.73 per square foot of living area. Based on this evidence the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of twelve equity comparables for the Board's consideration. The Board gives less weight to the appellant's comparables and the board of review's comparables #3 through #8, due to substantial differences from the subject in dwelling size and/or effective age.

The Board finds the best evidence of assessment equity to be the board of review's comparables #1 and #2, which are similar to the subject in dwelling size, age/effective age, location, and features. These comparables have improvement assessments of \$86,953 and \$90,363 or of \$46.10 and \$46.13 per square foot of living area, respectively. The subject's improvement assessment of \$81,842 or \$46.53 per square foot of living area falls below the best comparables in terms of total improvement assessment but above the best comparables on a per square foot basis, which is logical given the subject is a smaller home than the best comparables. Based on this record and after considering appropriate adjustments to the best comparables for differences from the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
