

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Michael Goldfarb
DOCKET NO.: 21-00307.001-R-1
PARCEL NO.: 16-10-312-009

The parties of record before the Property Tax Appeal Board are Michael Goldfarb, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld & Associates, LLC in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$38,876
IMPR.: \$92,903
TOTAL: \$131,779

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of brick exterior construction with 2,214 square feet of living area. The dwelling was constructed in 1967 and is approximately 54 years old. Features of the home include a basement with finished area, central air conditioning, a fireplace, and a 420 square foot garage. The property has an approximately 8,380 square foot site and is located in Highland Park, Moraine Township, Lake County.

The appellant contends assessment inequity concerning the improvement assessment as the basis of the appeal. In support of this argument the appellant submitted information on four equity comparables located within the same assessment neighborhood code as the subject. The comparables are improved with 2-story homes of brick exterior construction ranging in size from 2,120 to 2,362 square feet of living area. The dwellings range in age from 62 to 65 years old. Each home has a basement, one of which has finished area, central air conditioning, and a garage

ranging in size from 546 to 572 square feet of building area. One home has a fireplace. The comparables have improvement assessments ranging from \$72,656 to \$83,464 or from \$34.27 to \$35.73 per square foot of living area. Based on this evidence the appellant requested a reduction in the subject's improvement assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$131,779. The subject property has an improvement assessment of \$92,903 or \$41.96 per square foot of living area.

In support of its contention of the correct assessment the board of review submitted information on seven equity comparables located within the same assessment neighborhood code as the subject.¹ The comparables are improved with 2-story homes of wood siding, brick and wood siding, or Dryvit exterior construction ranging in size from 2,132 to 2,380 square feet of living area. The dwellings were built from 1941 to 1979 with comparables #2, #5, and #7 having effective ages of 1947, 1958, and 1978, respectively. Each home has a basement, six of which have finished area, central air conditioning, one or two fireplaces, and a garage ranging in size from 420 to 711 square feet of building area. Comparable #2 has a walkout basement and comparable #5 has a lower level with finished area. The comparables have improvement assessments ranging from \$92,630 to \$105,432 or from \$42.22 to \$49.45 per square foot of living area. Based on this evidence the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of eleven equity comparables for the Board's consideration. The Board gives less weight to the appellant's comparables #1, #2, and #3 and the board of review's comparables #1, #2, #5, #6, and #7, due to substantial differences from the subject in age/effective age and/or basement finish.

The Board finds the best evidence of assessment equity to the appellant's comparable #4 and the board of review's comparables #3 and #4, which are similar to the subject in dwelling size, age/effective age, location, and features. These comparables have improvement assessments that range from \$83,464 to \$101,517 or from \$35.73 to \$42.65 per square foot of living area. The subject's improvement assessment of \$92,903 or \$41.96 per square foot of living area falls within the range established by the best comparables in this record. Based on this record and after

¹ Two of the comparables presented by the board of review are duplicates and the comparables are renumbered to #1 through #7.

considering appropriate adjustments to the best comparables for differences from the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
