

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Karen Morgen
DOCKET NO.: 21-00312.001-R-1
PARCEL NO.: 16-10-312-001

The parties of record before the Property Tax Appeal Board are Karen Morgen, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld & Associates, LLC in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$42,453
IMPR.: \$86,002
TOTAL: \$128,455

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of brick exterior construction with 2,140 square feet of living area. The dwelling was constructed in 1970 and is approximately 51 years old. Features of the home include a basement, central air conditioning, a fireplace, and a 486 square foot garage. The property has a 9,150 square foot site and is located in Highland Park, Moraine Township, Lake County.

The appellant contends assessment inequity concerning the improvement assessment as the basis of the appeal. In support of this argument the appellant submitted information on four equity comparables located within the same assessment neighborhood code as the subject. The comparables are improved with 1-story or 2-story homes of brick exterior construction ranging in size from 2,120 to 2,362 square feet of living area. The dwellings were built in 1957 or 1959

with comparable #1 having an effective age of 1975.¹ Each home has a basement, three of which have finished area, central air conditioning, and a garage ranging in size from 546 to 572 square feet of building area. One home has a fireplace. The comparables have improvement assessments ranging from \$73,660 to \$83,464 or from \$34.68 to \$35.77 per square foot of living area. Based on this evidence the appellant requested a reduction in the subject's improvement assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$128,455. The subject property has an improvement assessment of \$86,002 or \$40.19 per square foot of living area.

In support of its contention of the correct assessment the board of review submitted information on eight equity comparables, together with a grid analysis of the appellant's comparables. The board of review's comparables are located within the same assessment neighborhood code as the subject. The comparables are improved with 2-story homes of brick, brick and wood siding, or Dryvit exterior construction ranging in size from 2,028 to 2,284 square feet of living area. The dwellings were built from 1945 to 1979 and have effective ages ranging from 1964 to 1980. Each home has a basement, five of which have finished area, central air conditioning, and a garage ranging in size from 420 to 609 square feet of building area. Six homes each have a fireplace. The comparables have improvement assessments ranging from \$81,533 to \$102,270 or from \$39.20 to \$44.78 per square foot of living area. Based on this evidence the board of review requested the subject's assessment be sustained.

Conclusion of Law

The appellant contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of twelve equity comparables for the Board's consideration. The Board gives less weight to the appellant's comparables and the board of review's comparables #1, #2, #4, #5, and #8, due to substantial differences from the subject in age/effective age and/or basement finish.

The Board finds the best evidence of assessment equity to be the board of review's comparables #3, #5, and #7, which are similar to the subject in dwelling size, age/effective age, location, and features. These comparables have improvement assessments that range from \$81,533 to \$102,270 or from \$39.20 to \$43.25 per square foot of living area. The subject's improvement assessment of \$86,002 or \$40.19 per square foot of living area falls within the range established

¹ Additional details regarding these comparables not reported by the appellant are found in the board of review's evidence.

by the best comparables in this record, which is logical given the subject is bracketed by the best comparables in dwelling size and age/effective age. Based on this record and after considering appropriate adjustments to the best comparables for differences when compared to the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
