

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Marcus Voltz  
DOCKET NO.: 21-00316.001-R-1  
PARCEL NO.: 16-15-106-002

The parties of record before the Property Tax Appeal Board are Marcus Voltz, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld & Associates, LLC in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$57,743  
**IMPR.:** \$58,322  
**TOTAL:** \$116,065

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a 1.5-story dwelling of wood siding exterior construction with 1,804 square feet of living area. The dwelling was constructed in 1947 and is approximately 74 years old. Features of the home include a concrete slab foundation, central air conditioning, a fireplace, and a 552 square foot garage. The property has an approximately 16,590 square foot site and is located in Highland Park, Moraine Township, Lake County.

The appellant contends assessment inequity concerning the improvement assessment as the basis of the appeal. In support of this argument the appellant submitted information on four equity comparables located within the same assessment neighborhood code as the subject. The comparables are improved with 1.5-story or 2-story homes of wood or vinyl siding exterior construction ranging in size from 1,505 to 2,058 square feet of living area. The dwellings range in age from 79 to 86 years old. Three homes have a concrete slab foundation and one home has

a basement. Each home has central air conditioning and a garage ranging in size from 240 to 400 square feet of building area. Three homes have one or two fireplaces. The comparables have improvement assessments ranging from \$43,673 to \$63,999 or from \$29.02 to \$31.10 per square foot of living area. Based on this evidence, the appellant requested a reduction in the subject's improvement assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$116,065. The subject property has an improvement assessment of \$58,322 or \$32.33 per square foot of living area.

In support of its contention of the correct assessment the board of review submitted information on eight equity comparables located within the same assessment neighborhood code as the subject. The comparables are improved with 1-story, 1.5-story, 1.75-story, or 2-story homes of brick, wood siding, or brick and wood siding exterior construction ranging in size from 1,611 to 2,233 square feet of living area. The dwellings were built from 1942 to 1988 and have effective ages ranging from 1952 to 1988. Two homes have a concrete slab foundation and six homes have a crawl space foundation. Seven homes have central air conditioning and seven homes each have a garage ranging in size from 171 to 550 square feet of building area. Two homes each have a fireplace. Comparable #2 has an inground swimming pool. The comparables have improvement assessments ranging from \$52,060 to \$97,490 or from \$31.96 to \$43.66 per square foot of living area. Based on this evidence the board of review requested confirmation of the subject's assessment.

### **Conclusion of Law**

The appellant contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of twelve equity comparables for the Board's consideration. The Board gives less weight to the appellant's comparables #1, #3, and #4 and the board of review's comparables #2, #3, #6, #7, and #8, due to substantial differences from the subject in dwelling size, design, age, foundation type, garage amenity, and/or inground swimming pool amenity.

The Board finds the best evidence of assessment equity to be the appellant's comparable #2 and the board of review's comparables #1, #4, and #5, which are more similar to the subject in dwelling size, age, location, and features. These comparables have improvement assessments that range from \$50,906 to \$65,752 or from \$29.19 to \$33.28 per square foot of living area. The subject's improvement assessment of \$58,322 or \$32.33 per square foot of living area falls within the range established by the best comparables in this record.

Based on this record, and after considering appropriate adjustments to the best comparables for differences when compared to the subject, the Board finds the appellant has not proven by clear and convincing evidence that the subject's improvement is inequitably assessed and no reduction is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
