

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: John Burfield
DOCKET NO.: 21-00317.001-R-1
PARCEL NO.: 16-10-105-012

The parties of record before the Property Tax Appeal Board are John Burfield, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld & Associates, LLC in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$75,668
IMPR.: \$180,202
TOTAL: \$255,870

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of brick and wood siding exterior construction with 3,286 square feet of living area. The dwelling was constructed in 1970 and is approximately 51 years old. Features of the home include a basement, central air conditioning, a fireplace, 3.5 bathrooms, and a 462 square foot garage. The property has a 20,635 square foot site and is located in Lake Forest, Moraine Township, Lake County.

The appellant contends assessment inequity concerning the improvement assessment as the basis of the appeal. In support of this argument the appellant submitted information on four equity comparables located within the same assessment neighborhood code as the subject. The comparables are improved with 2-story homes of brick or wood siding exterior construction ranging in size from 2,812 to 3,262 square feet of living area. The dwellings range in age from 54 to 72 years old. Each home has a basement, two of which have finished area, central air

conditioning, one to three fireplaces, 2 to 4.5 bathrooms, and a garage ranging in size from 460 to 598 square feet of building area. The comparables have improvement assessments ranging from \$144,072 to \$169,215 or from \$47.77 to \$51.87 per square foot of living area.

Based on this evidence the appellant requested a reduction in the subject's improvement assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$255,870. The subject property has an improvement assessment of \$180,202 or \$54.84 per square foot of living area.

In support of its contention of the correct assessment the board of review submitted information on nine equity comparables located within the same assessment neighborhood code as the subject. Comparables #3 and #4 are the same properties as the appellant's comparables #3 and #4, respectively. The comparables are improved with 2-story homes of brick, wood siding, or brick and wood siding exterior construction ranging in size from 2,723 to 3,262 square feet of living area. The dwellings were built from 1964 to 1969 and have effective ages ranging from 1964 to 1984. Each home has a basement, four of which have finished area, central air conditioning, one or two fireplaces, 2 to 3.5 bathrooms, and a garage ranging in size from 460 to 625 square feet of building area. Comparable #1 has an inground swimming pool. The comparables have improvement assessments ranging from \$144,072 to \$199,207 or from \$51.23 to \$67.71 per square foot of living area.

Based on this evidence the board of review requested the subject's assessment be sustained.

Conclusion of Law

The appellant contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of eleven equity comparables, with two common comparables, for the Board's consideration. The Board gives less weight to the appellant's comparables #1, #2, and #3 and the board of review's comparables #1, #2, #3, #5, #6, #8 and #9, due to substantial differences from the subject in dwelling size, age/effective age, basement finish, and/or inground swimming pool amenity.

The Board finds the best evidence of assessment equity to be the appellant's comparable #4/board of review's comparable #4 and the board of review's comparable #7, which are similar to the subject in dwelling size, age, location, and features. These comparables have improvement assessments of \$167,441 and \$169,215 or of \$55.06 and \$51.87 per square foot of living area, respectively. The subject's improvement assessment of \$180,202 or \$54.84 per

square foot of living area falls above the best comparables in terms of total improvement assessment but is bracketed by the best comparables on a per square foot basis, and appears to be justified given the subject's additional bathroom and slightly newer age compared to the best comparables. Based on this record and after considering appropriate adjustments to the best comparables for differences from the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
